The personal notes of individual members taken at public meetings might be considered a public record to the extent they "relate to the conduct of the public's business." (ORS 192.410(4).) Members are not allowed to deliberate towards a decision over email, as public participation needs to be guaranteed through the deliberation process.

Members shall not represent the Committee in conversations with members of the media, both on and off the record, with regard to matters of policy or substance, to promote an individual agenda, or to presume to represent the positions of the AOC or its other Members. Members may share, verbatim, information provided to the AOC by the appropriate City bureaus, unless that information is provided with the understanding that it is to be kept confidential and is exempt or conditionally exempt from disclosure under the Public Records Law (if the information is in the form of a public record). When speaking on their own behalf, Members must clearly state that they are stating their own opinion and are not representing the AOC or its Members.
