RE: Complaint No. 2024-03-CR

Ms. Hansen,

We have received notice of the anonymous complaint from an individual who is upset that the official office of Commissioner Carmen Rubio regularly sends out emails about city business. The anonymous complaint also references what I assume is the personal social media account of a city employee that allegedly once tagged Commissioner Rubio's campaign page.

The complaint includes a copy of an email from Commissioner Rubio's official office. In reading that email, it includes city business only. It is clearly not a political communication as alleged in the complaint.

The complaint does not include any evidence of the personal social media post mentioned, nor do I manage this employee.

If I can be of further assistance, you can reach me via phone at 510-409-5108.

Sincerely,  
*Terri Waller*
