Hello,

I do not have any additional supplemental materials to provide. I can add that my candidate committee paid \$1,150.50 for a single run of the advertisement in the October edition of the Bee. I initially thought that there was also a digital version, but there is not. The allegations as state in the complaint are true.

If I run the ad in the November issue, I will be certain to include the correct disclaimer information.

Respectfully,  
Sarah Silkie

Dear Sarah Silkie:

When the Auditor's Office has reason to believe a violation of the City's campaign finance regulations may have occurred, the City's regulations require our office to issue a complaint. Please see the attached Complaint and Notice, and note the timeline for providing a response. James Eccles has been assigned to help investigate this case.

Thank you,
