RE: Complaint No. 2024-08-CC

Good afternoon, Ms. Hansen:

We received notice of the above-mentioned complaint related to a mayoral candidate forum hosted by the City Club of Portland earlier this month.

In response to that complaint, we can confirm that Carmen Rubio did receive and RSVPed to an invitation to participate in a nonpartisan forum held on October 8, 2024. It is our understanding that the City Club, as a nonprofit, regularly hosts forums such as this one to inform voters about key issues and races in upcoming elections.

Please let us know if you have any questions or need additional information.

Sincerely,
Terri Waller
