Dear whoever deals with this,

I would like to lodge a complaint against the Rene Gonzalez for Mayor campaign for not adding mandatory disclosures in their campaign materials.

It is my understanding that any sign 6 square feet or more is required to have a "paid for by ...." thing below it. Attached is a photographs of a campaign poster that does not include that.

The poster in question is on SW Vista Ave, just past the Vista Ave bridge, facing oncoming traffic. I have attached a photo, and checked for a hidden disclosure, and found none.

If Carmen or Viva or Mingus or whatever had the same thing, I would still be sending this email. Nothing really against the commissioner.

I do not know which of these three emails is the right one, but I hope one of you can figure this out and have comm gonzalez change this.

Thank you for maintaining election integrity in Oregon.

Tom Orleck
