Q41

A candidate must file a Statement of Organization not later than three business days of first receiving a contribution or making an expenditure and no later than the deadline for filing a nominating petition or declaration of candidacy, whichever occurs first, unless they meet the criteria for an exemption. To meet the criteria, the candidate must serve as their own treasurer, not have an existing candidate committee, and not expect to spend or receive more than \$750 during the entire calendar year (including in-kind contributions and personal funds). If you have an existing candidate committee you must amend the statement of organization not later than 10 days after a change in information. This includes changes to the election you are active in and the office you are running for. See the State Campaign Finance Manual for the procedural and legal requirements of establishing and maintaining a candidate committee.

I have reviewed the above State campaign finance information.

City campaign finance contribution limits, disclosure requirements, and additional reporting requirements are included in City Code Sections 2.10.010 B.1., 2., and 4. (Timely Disclosure of Large Contributions and Expenditures); and 2.16.140 C. (Additional Reporting).

I have reviewed the above campaign finance requirements specific to the City of Portland. I also understand that the Auditor's Office publishes administrative rules pertaining to campaign finance and have reviewed these.
