**Portland
City Auditor**
Elections

In response to a letter dated 10/28/24 I attest to the following on behalf of my wife, Nancy Jubitz. It appears that the question has to do with two \$500 contributions on 12/20/22 which were recorded in my books as payable to Rene for **City Council**. One should have been listed as from Al Jubitz and one from Nancy Jubitz.

Nancy's \$350 contribution on 12/8/23 appears correctly listed and was intended for the Rene Gonzalez for **Mayor** campaign. We believe we are in compliance with election law when we make contributions.

If you need additional information please call me at 503-799-8499 or email al@jubitz.org.
