Land Use Review Proposal

Applicant's Name _____

Mailing Address _____

City _____ State _____ Zip Code _____ Phone _____

Approval of most land uses involving a new or expanded use or involving the creation of a new parcel requires verification of adequate sanitary sewer service to the property.

If you propose to use a public sanitary sewer system, complete the applicable sections of this form and deliver it to the appropriate sewer district. After the sewer district completes the section below and returns the form to you, include this completed form with your land use review application.

Applicant, do not write below this line.

To be completed by a Sewer District Official

☐ The district will provide service from a _____ inch line located in _____

The proposed use should be required to make the following sanitary sewer system improvements as a condition of approval _____

☐ The district is incapable of providing service to this property at this time because _____

Sewer District _____

Name of Official _____ Office Held _____

Address _____

Phone _____ Date _____
