Noise Variance Application - Construction

This is an application for a variance from the Portland Noise Control Code. You should apply for it if your activity will make more noise than the City Code allows. **Please read both sides and fill it out carefully; your application will not be considered unless all information and the required documentation are provided.** The request may be approved, denied or approved with conditions. Most applications will be reviewed within ten (10) business days; some may require more time. If you need help or have questions, you can schedule an appointment to talk with us [here](#).

APPLICANT INSTRUCTIONS: Complete all sections, and please print legibly.

Applicant name _____ Contact Phone _____

Applicant Address _____

City _____ State _____ Zip Code _____

Email _____

Name of organization or business _____

Construction activity _____

Date(s) of activity _____

Requested hours: from _____ am pm to _____ am pm

Specify the address and location of the activity. **Also, attach a site plan that identifies jobsite, streets and residences**

Please describe the specific activities requested for a noise variance, and include an explanation for the need to work outside of allowed construction hours _____

List all equipment that will make noise, and noise mitigation measures to lessen impact on nearby neighbors.

NEIGHBORHOOD NOTIFICATION: A required condition for a noise variance is providing written notification to neighbors within a 500 ft radius or 2-block radius. Please describe the following **and attach a copy of your notification letter, flyer or email along with the list of addresses notified:**

Number of neighbors notified _____ Date of notification _____

Method of notification _____

What, if any, was the reaction to your notification _____

Signature: _____ **Date** _____
