

Residential Application Form

Use this form for properties with 4 or fewer dwelling units.

Find more information at portland.gov/clean-river-rewards or by calling 503-823-1371. Learn about ways to manage the rain on your property at portland.gov/bes/rain.

Provide account information.

Utility Account Number: - - - Find the account number in the top right corner of your bill.

Ratepayer Name: _____

Site Address: _____

Mailing Address: (if different) _____

Email: _____ Phone: _____

If you are having trouble paying your bill for water, sewer, and/or stormwater services, would you like information on the City's financial assistance program?

Yes, please send me financial assistance information.

Tell us about stormwater management on the property.

Question 1. Rain from roof(s)

Look at your roof(s). Where does rain flow from your roof? Choose one.

All of the rain from my roof(s) soaks into the ground or flows into a stormwater facility on my property (see examples below).

Some of the rain from my roof(s) soaks into the ground or flows into a stormwater facility on my property (see examples above) **and** some flows to the sewer or into the street, sidewalk, or a waterbody.

All of the rain from my roof flows to the sewer or into a street, sidewalk, or waterbody.

Question 2. Rain from paved areas

Check paved areas on your property (patio, driveway, walkways, etc.). Where does the rain go? Choose one.

Some or all of the rain from paved areas soaks into the ground or flows into a stormwater management facility on my property (see examples above).

All of the rain from paved areas flows to the sewer or into a street, public sidewalk, or waterbody.

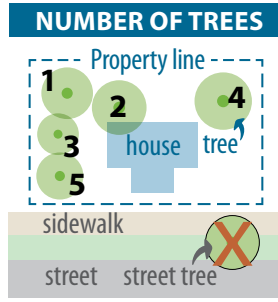

[Continue on back](#)

Question 3. Trees – Number or Canopy

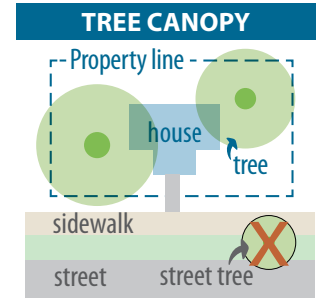

Choose one. For most people, counting the number of trees on your property that are 15 feet or taller (about as tall as a 2-story house) will be the best option. However, if you have one or two really big trees, then using the tree canopy measurement might be best.

Go to portland.gov/clean-river-rewards for instructions on how to calculate tree canopy.

I have _____ trees
15 ft or taller.

I have _____
sq ft of canopy.

Were any of your stormwater management facilities built as part of a building permit?

If yes, enter the permit number(s). Typical building permit number format is 23-123456-RS. Find permit numbers on your facility's **Operations and Maintenance Plan**. Email stormwaterMIP@portlandoregon.gov for assistance finding your O&M Plan or permit number.

No

I don't know.

Yes. Permit number: _____

Clean River Rewards Rules & Regulations

The city grants Clean River Rewards discounts in accordance with program rules and regulations outlined in the Clean River Rewards Administrative Rules (ENB 4.16) at portland.gov/bes/enb4-16. These include, but are not limited to:

1. The discount is limited to up to 35% of the stormwater charges.
2. Ratepayers must register to receive a Clean River Rewards discount.
3. An active utility account is required to register.
4. Private stormwater management facilities must be properly located, sized, and maintained.
5. Ratepayer must comply with storm system discharge requirements and industrial discharge permits if applicable in order to receive a Clean River Rewards discount.
6. With permission of the property owner, Environmental Services staff will be allowed access to the property to conduct site inspections of stormwater facilities when registering for the discount.
7. The city may reverse granted discounts and credits, impose an administrative fee, and revoke future discounts in response to the filing of a fraudulent registration or the violation of program rules.
