None

Classification History:

Adopted: 2-03-99:

Class created as a result of DCTU Classification and Compensation Study 1998-99. This class is composed of the following classes:
859 Assistant Claims Tech Adopted 08-17-84;
Revised 09-10-90

June 2009 - Change Job Class number from 0858 to 30000065, due to system change.

Claims Technician - 30000066

Distinguishing Characteristics

The journey level of this class independently performs difficult, specialized paraprofessional claims management work by interacting with claimants and responsible parties to evaluate claims by or against the City and to settle claims or initiate collection processes, within defined limits but with a significant degree of accountability. It differs from the Assistant level by the authority to evaluate and settle claims of greater complexity.

Typical Duties/Examples of Work

1. Processes assigned claims from receipt through closure or resolution within defined limits.
2. Conducts interviews and records statements; Investigates claims; obtains information from pertinent City bureaus, employees, citizens and other sources to determine City responsibility for incident, action or exposure; issues claim denials or pays claims as appropriate.
3. Maintains contact and customer service with claimants and representatives.
4. Evaluates account claims for closure or collection; prepares disputed claims, defenses and exhibits for various adjudication forums; makes presentations of claims.
5. Negotiates claim settlements within defined limits; offers alternatives; acquires promissory notes.
6. Investigates third party liability claims; issues notices as appropriate; requests restitution or files claim of subrogation as appropriate.
7. Prepares and processes a variety of financial transactions, including establishing reserves in accordance with guidelines, receipting checks and crediting funds, coding payments, setting up payment schedules, securing repair estimates or documentation of damage, determining depreciation values.
8. Maintains files and records, and prepares reports.
9. Provides technical and administrative support to Claims Adjusters, team leaders and other professionals, as required by management.
10. Performs related duties as assigned.

Required Knowledge, Skills and Abilities

Knowledge of: legal processes in claims processing; insurance principles and worker's compensation laws and regulations if assigned to Worker's Compensation.

Ability to: negotiate to settle claims; account for financial transactions; maintain accurate records; investigate and evaluate claims related to injury or property loss; apply coverage; communicate clearly and concisely both orally and in writing.

Skill in: mathematics; developing and delivering effective presentations

Special Requirements

State of Oregon Worker's Compensation Claims Examiner Certification, or ability to obtain within 6 months from date of hire, if assigned to Worker's Compensation.

Classification History:

Adopted: 2-03-99:

Class created as a result of DCTU Classification and Compensation Study 1998-99. This class is composed of the following classes:
