

CLASS SPECIFICATION

SUPERVISOR II

PAY GRADE: 58

CLASS CODE: 30003104

EFFECTIVE: December 13, 2018

CLASSIFICATION SUMMARY

Reports to a Manager or other management- or executive-level position. Under general direction, responsible for the operations of a varied or technical organizational unit, ensuring various activities related to specific programs and functions are performed by subordinate staff.

Responsibilities include: supervising the workload of the unit; assigning work to subordinate staff; overseeing staff activities to ensure achievement of unit goals and objectives; coordinating and supervising unit programs and functions. Some positions participate in the work performed by subordinate staff.

DISTINGUISHING CHARACTERISTICS

Supervisor II is the second of two classifications in the Supervisor series.

Supervisor II is distinguished from Supervisor I in that the latter is a supervisor over an organizational unit with a small area of focus, leads or participates in the work performed by subordinate staff, and has less responsibility for ensuring program, project, or task implementation and the former has responsibility for the operations for a varied or technical organizational unit.

Supervisor II is distinguished from the Manager series in that the latter has greater responsibility for decision making, program implementation, budget management and oversight, and activities with broader organizational impact.

ESSENTIAL FUNCTIONS

Depending on the assignment, the incumbent may perform a combination of some or all of the following duties, and perform related duties as assigned.

General Duties:

1. Recruit, hire, schedule, assign work to, and supervise staff, including technical employees and volunteers.
2. Develop job tasks and responsibilities, performance requirements, and personal development targets for staff; provide instruction for performance improvement and development; assign and monitor staff work plans; organize and lead staff meetings; evaluate performance and complete annual performance reviews; recommend discipline as necessary.
3. Lead, supervise, and provide assistance to organizational unit; create a positive and supportive work environment; enforce workplace safety; promote an equitable workplace that demonstrates an environment respectful of living and working in a multicultural society.
4. Create standard practices, policies, and procedures for day-to-day operations of the diverse and/or technical unit, programs, projects, or tasks; establish goals and direction and communicate expectations to staff.

5. Plan, develop, implement, and administer unit and Bureau/Office programs and projects.
6. Develop and monitor unit performance and identify opportunities for improvement; oversee development of new tasks and responsibilities for programs and projects.
7. Ensure that critical unit functions are completed, and tasks and duties assigned to staff are achieved within schedule and budget, or progressing as scheduled.
8. Communicate the status of programs, projects, and tasks with Bureau/Office management and other related units, and make recommendations and adjustments as necessary.
9. Participate in the development and administration of the unit's budget, including cost analysis of programs, projects, and staff; may assist in the development and administration of other Bureau/Office budgets.
10. Prepare, review, and oversee contracts with contractors and consultants; approve invoices; monitor compliance.
11. Update and maintain various unit databases and reports, and use data to guide and inform decision making processes.

Specific Duties:

In addition to the General Duties, the incumbent may perform a combination of some or all of the following duties specific to the position.

1. Research, develop and implement operational policies and procedures for Bureau/Office administrative functions; supervise and direct business, administrative, or program processes.
2. Implement and supervise water, environmental, and sustainability programs and functions; develop and monitor performance indicators that reflect program efficiency.
3. Supervise the operations, maintenance, and support of the water supply, treatment, and distribution systems and infrastructure; supervise staff responsible for the design, construction, and maintenance of existing or new water system infrastructure and capital improvement projects.
4. Supervise the maintenance and operation of industrial electrical instruments and systems, equipment, and devices; ensure quality and efficiency of equipment and electrical distribution, instrumentation, and security systems; evaluate system performance.
5. Plan, organize, and supervise parking control operations and staff; research and recommend technologies, policies, procedures, rules and guidelines to improve processes.
6. Plan, organize, and supervise activities related to vehicle and equipment maintenance and repair operations; monitor vehicle and equipment management systems; perform vehicle and equipment assessments; maintain preventative and repair schedules; inspect and review repairs; identify vehicle and equipment replacement and disposal needs.
7. Supervise a complex recreational program; develop and oversee specialized recreation programs for target demographics; maximize safety and reliability of facilities.
8. Supervise landscape architecture, urban forestry, asset management, general maintenance and construction, sustainable operations, and resource conservation.
9. Implement and supervise inspection or plan review activities and programs, including code compliance and permitting; may perform inspection tasks and duties.
10. Implement and supervise programs and staff to build, acquire, rehabilitate and preserve City subsidized and regulated affordable housing.
11. Supervise various law enforcement programs, systems, or functions within the Portland Police Bureau.
12. Supervise the staff of various support programs such as procurement, taxation, revenue, printing and distribution, safety programs, and fleet management.
