

# River Plan / South Reach

AN UPDATE TO THE WILLAMETTE GREENWAY PLAN

“Enhance the role of the Willamette River South Reach as fish and wildlife habitat, a place to recreate, and as an amenity for riverfront neighborhoods and others.”

– Comprehensive Plan Policy 3.81

The River Plan / South Reach is a long-range plan that will include:

- An urban design concept illustrating key places, activities and access to and along the river.
- An updated zoning map and zoning code.
- A list of actions to achieve the plan’s goals and objectives.
- Natural Resources and Scenic Resources protection plans.
