April 2, 2026

Hello Property Owner/Manager,

You are receiving this notice because your property is within the proposed Parkrose Enhanced Services District (ESD) and you may be subject to the future ESD property management license fee – a legally binding fee that will fund the future ESD. Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD).

ESDs generate district-specific funding via property management license fees that are reinvested back into the community via programs aimed to improve the economic resiliency, cleanliness, and public safety of a district. ESDs are formed and petitioned by localized communities and their representatives. The role of the City is to collect ESD determined fees through the City's Revenue Division and return to ESDs to initiate and deliver programs.

Creating a new Parkrose ESD will involve establishing a geographic boundary, a rate structure that will produce fees for reinvestment back into Parkrose, and a contract for services – all to be approved by City Council this summer. If approved, a new Parkrose ESD will start on July 1, 2027, and will be approved for a 10-year lifecycle.

If you are interested in joining your community to discuss the Parkrose ESD formation, rate structure, and programming, please attend the following public meetings:

Public Meeting Dates:
Hybrid public meeting/s held jointly by the City of Portland and Historic Parkrose

- **Monday, April 20, 2026**
  - Historic Parkrose Office
  - 10402 NE Sandy Blvd, Portland, OR 97200
