Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator

Dear Parkrose neighbor,

You are receiving this notice as Historic Parkrose, a non-profit that has served the Parkrose neighborhood since 2012, has petitioned the City to create a new Enhanced Services District (ESD) to be called Parkrose Forward ESD. The City of Portland is sending this notice to registered owners or managers of commercial properties that are within the proposed ESD district boundary, who would be potential ratepayers. If you are not a property owner or manager, please share this notice with the appropriate contact.

The Parkrose Forward ESD proposal is a product of a community-driven process facilitated by Historic Parkrose, using the City's recommended process outlined in the ESD Petition Packet and ESD Handbook. Following Historic Parkrose's submittal of their Parkrose Forward ESD Petition Packet, the City conducted two public meetings in April and May 2026, and collected proposed ratepayer feedback via an online survey.

The next step includes holding a hearing on this proposal at the Portland City Council's City Life Committee, at which point public testimony will be heard, and a vote will take place on whether to move this proposal to the full Council for a subsequent hearing and vote. The City Life Committee hearing is scheduled to be held at 2pm on July 14, 2026, at City Hall.

If you are interested in submitting written testimony to City Council, or if you wish to sign up to testify virtually or in-person at the July 14th hearing, please visit the following website: *https://www.portland.gov/esd/parkrose*. In addition to City Council resources, this website has information about the Parkrose Forward ESD proposal, proposed district boundaries, and rate structure.

The Parkrose Forward ESD's vision is to foster a clean, safe, and welcoming district where commerce, industry, and community grow together. To achieve this vision, the ESD would provide district sidewalk cleaning, ambassadors, industrial and commercial connection programs, business support, and district advocacy. These services would be paid for through fees collected from rate-paying property owners and managers within the district.

Sincerely,
Devin Reynolds - Enhanced Service Districts Coordinator
