

## Greetings-

This week, we received 391 new campsite reports identifying roughly 110 campsites throughout the City. Of these new reports, 108 were of people living in vehicles and 1 was regarding a boat. Additionally, 126 of the reports we received this week were reports of camping on Oregon Department of Transportation (ODOT) properties and rights-of-way, and 2 were of camping on Union Pacific or BNSF rights-of-way.

**Please note, in the event of a Severe Winter Weather Declaration, the City will not require people to move during campsite cleanups. Sites that have been posted will be cleared of any trash and/or bio-hazard material during the severe weather, but occupants will not be required to move until the Severe Winter Weather Declaration has been lifted. Sites that have been posted but not completely cleaned due to the weather, will be reposted and cleaned in the coming weeks. Severe Weather criteria: The Joint Office, as well as Multnomah County and Portland Emergency Management, use the following criteria to determine when conditions pose a danger to exposed vulnerable people. Any one of the criteria below will result in a Severe Weather Notice if the conditions are forecasted to persist for four (4) hours or more during what would be severe weather shelter operating hours (8pm-7am):**

- 1. Forecasted temperature of 25° F (-3.9° C) or below.**
- 2. Forecasted snow accumulations of 1.0 inch or more sticking to the ground in most locations.**
- 3. Forecasted temperature at or below 32° F (0° C) with driving rain of 1.0 inch or more overnight.**
- 4. Other conditions, including severe wind chills or extreme temperature fluctuations.**

**Please note:**

The web-based version of the **[PDX Reporter app](#)** for your smartphone is now available. This new version allows us to more easily, and regularly, update the app for a better user experience. We encourage people to stop using the older iOS and Android version of the PDX Reporter app as they are no longer receiving maintenance updates, and will eventually be removed altogether.

To create an icon for the new app on your phone's home screen:

- 1) Visit [www.pdxreporter.org](http://www.pdxreporter.org) on your phone's web browser
- 2) Sign in using the same username and password created for the City's website
- 3) Then pin a shortcut (icon) to your phone's home screen for quicker access to the online
