Please note:

The web-based version of the **[PDX Reporter app](#)** for your smartphone is now available. This new version allows us to more easily, and regularly, update the app for a better user experience. We encourage people to stop using the older iOS and Android version of the PDX Reporter app as they are no longer receiving maintenance updates, and will eventually be removed altogether.

To create an icon for the new app on your phone's home screen:

- 1) Visit [www.pdxreporter.org](http://www.pdxreporter.org) on your phone's web browser
- 2) Sign in using the same username and password created for the City's website
- 3) Then pin a shortcut (icon) to your phone's home screen for quicker access to the online
