Coordinated Campsite Cleanup Update.

Last week our Campsite Cleanup Team focused on the many locations in Sullivan's Gulch along the north side of I-84 from I-5 and made it to around the Hollywood TC on NE 45th. In all, 10.98 tons (21,960 lbs). of garbage was removed from that area. Another coordinated effort is being planned with Metro, ODOT and Union Pacific for the middle part of December to get that remaining stretch from NE 45th to NE 92nd Ave. In addition to Sullivan's Gulch, NE Broadway/Jonesmore was cleared and reposted on Friday, November 4th. This will allow crews to monitor the area and remove any camps the reoccupy the area.

This week, the following locations are scheduled for Campsite Cleanups:
