*A Terrain Charge applies to some properties in Portland’s hillier westside where low street connectivity, larger lots, and narrow, windy roads increase the costs to collect garbage, recycling, and compost. To determine if a property is within the Westside Terrain Area, look up the address in www.portlandmaps.com: In the Garbage & Recycling section (under “Utilities”), you’ll see “Westside Terrain Area?” followed by “Yes” or “No.”

**Courtesy Callback is when a customer didn’t have their bin at the curb in time for collection and requests their bin be emptied before their next scheduled collection.

***Roll cart delivery fees may be charged in the following scenarios: 1. For compost and recycling, if it is the customer’s second (or greater) roll cart delivery. 2. For garbage, if it is the customer’s second (or greater) roll cart delivery within a one year period. 3. Any time the customer requests a clean roll cart.
