Proposals

Proposal 1

Proposal 1

Delete the prohibition on mandating the weatherization of structures built before September 1, 1979.

Initiated by
Bureau of Planning and Sustainability

Fiscal Impact

No direct financial impact

Proposal 2

Proposal 2

Clarify language to reflect the City's existing role to protect recreational and natural resources.

Initiated by
Bureau of Parks and Recreation

Fiscal Impact

No direct financial impact

Proposal 3

Proposal 3

Clarify language to reflect the City's existing role to protect and manage water, sewage, and stormwater.

Initiated by
Bureau of Environmental Services

Fiscal Impact

No direct financial impact

Proposal 4

Proposal 4

Delete vague and archaic language:
“roaming the streets at
unseasonable hours”.

Initiated by
Bureau of Development Services

Fiscal Impact

No direct financial impact

Proposal 5

Proposal 5

Delete vague and archaic language:
“offensive” businesses.

Initiated by
Bureau of Development Services

Fiscal Impact

No direct financial impact

Proposal 6

Proposal 6

Delete outdated, burdensome, and redundant requirements for franchise agreements.

Initiated by
Office for Community Technology

Fiscal Impact

No direct financial impact

Proposal 7

Proposal 7

Remove the 5% cap on transient lodgings tax.

Initiated by
Office of Management and Finance

Fiscal Impact

No direct financial impact, but may result in the City's ability to collect increased revenue

Proposal 8

Proposal 8

Increase Risk Management's settlement authority from \$5,000 to \$25,000.

An increase to the City's Division of Risk Management's authority to settle claims was part of the larger measure on the ballot in November. Because that measure passed, this proposed amendment will not move forward because it is unnecessary.

Proposal 9

Proposal 9

Update, and make consistent, references to “protected classes”.

Initiated by
Office of Equity and Human Rights
and
Bureau of Development Services

Fiscal Impact

No direct financial impact

Proposal 10

Proposal 10

Replace “disability” with “incapacity” when referencing an elected official’s inability to perform their duties.

Initiated by
Office of Equity and Human Rights

Fiscal Impact

No direct financial impact

Proposal 11

Proposal 11

Create an Independent Portland
Elections Commission.

Initiated by
Small Donors Program

Fiscal Impact

No direct financial impact

Proposal 12

Proposal 12

Create an article dedicated to environmental issues that includes environmental justice as a core value of the City, requires the City to assess the climate impact of its decisions and establishes a right to a clean and healthy environment.

Fiscal Impact

Low end estimate is \$14.4 million annually for climate assessments

Proposal 13

Proposal 13

Establish meaningful public engagement
as a core value of the City.

Fiscal Impact

No direct financial impact

Proposal 14

Proposal 14

Require the City to create by ordinance a participatory budgeting program open to all residents.

Fiscal Impact

Using the latest forecast information, a 1% General Fund discretionary set aside beginning in Fiscal Year 2025-26 would be \$7.3 million

Proposal 15

Proposal 15

Expand right to vote in City elections to the fullest extent allowed by law.

Fiscal Impact

\$100,000 annually for voter education
