

Safety in the Community Garden

Report criminal and suspicious activity by calling:

- **9-1-1** for an immediate threat to life or property or a crime in progress
- **503-823-3333** is the police non-emergency number for suspicious activity that is not an immediate threat to life or property, or if a crime has occurred and the suspect is gone.

If there are ongoing issues in the park, such as, but not limited to, alcohol and drug use and off-leash dogs, contact Portland Park Rangers at **503-823-1637** or email rangercallcenter@portlandoregon.gov.

In addition to the agencies listed above, please report all theft, vandalism, and other incidents to the Community Gardens office at pkcomgard@portlandoregon.gov or 503-823-1612 so we can track occurrences.

Community Gardens staff are not public safety officials and cannot respond to incidents. Any safety response, even for stolen or damaged vegetables, needs to be done with a police report by gardeners and/or contact with Park Rangers.

Remember to mix the numbers on the combination lock after each time you use it. Please make sure the gate is locked when you exit the garden.
