# Wedding Reservations in Portland Parks

Reservations, policies, insurance, and more.

The Gold Medal Garden at the International Rose Test Garden in Washington Park

## WEDDINGS IN A PARK OR GARDEN

Portland Parks & Recreation (PP&R) has over 200 parks, gardens, and picnic areas that may be reserved for weddings and/or receptions.

A permit must be obtained for any legal union ceremony in a public park when guests are invited. This includes ceremonies consisting of more than the couple, officiant, and two witnesses.

This document includes information regarding Portland's most beloved and popular wedding locations, and the corresponding capacity and fees. Keep in mind that while weddings may be scheduled at a picnic site, receptions may not be scheduled at a wedding garden or other restricted area due to capacity and other limitations.

Please visit [portland.gov/parks/wedding](https://portland.gov/parks/wedding) for complete information.

## RESERVATIONS AND MORE

- Park area maps are located on our website at [portland.gov/parks/search](https://portland.gov/parks/search).
- All wedding site reservations are from 8am to 9pm, except where more specific details are listed in the tables on pages four through seven of this document.

Wedding permit requests must be made at least 45 days in advance of your event to avoid rush fees. If you would like to book a date less than fifteen (15) days in advance, please call our office at 503-823-2525. Application fees increase when you book less than 45 days in advance (see the detailed fee information on page seven of this document).

- Payment may be made by Visa, MasterCard, American Express, or Discover, as well as by cash or check (payable to the City of Portland).
- After February 19, 2024, reservations for the 2024 season will **not be** accepted online. Instead you must call the Customer Service Center at 503-823-2525.

## INSURANCE

Insurance may be required for your permit and may be purchased from a variety of sources:

- The City has arranged to make liability and property coverage available for those using city facilities or venues through [Tenants User Liability Insurance Program \(TULIP\)](#). This insurance is designed specifically for users of city facilities and venues so it meets our agreement requirements, and is often more cost effective than options listed below. Coverage is provided for the majority of events, however large scale events, or events with dangerous or risky activities, may be excluded.
- Many homeowner policies offer coverage for an event, or a special rider can be purchased.
- Many insurance agencies can put together what is called a special events policy.

## ISSUED PERMITS AND MORE

Upon approval and payment of all applicable fees, you will receive a link to your wedding permit via email. Permits with outstanding balances will not be issued. Please have a copy of your permit available at your event. A permit confirms your reservation and must be on site during the event to be valid.

You can request the following items to be made available for pick up or sent to you through the mail:

- **Issued Wedding Permit and Site Map**  
An official permit must be on site during your event to be valid. Please have a printed or digital copy available for viewing.
- **Reservation Signage**  
We provide signs by request only. It is your responsibility to display signs on the day of your wedding to notify park users that the area is reserved. We do not allow signs to be attached to trees or placed on stakes in the ground (sandwich boards are recommended). A member of your group may wish to monitor the site prior to the beginning of your event.
- **Key**  
If a key is necessary for access or amenities, you may pickup a key from the Customer Service Center one to two business days before your event. Keys must be returned to the Customer Service Center by the Wednesday following your event.
- **Vehicle Access Passes**  
If requested and approved, a vehicle access pass will be mailed to you, or you may pick up the pass from our office. See page nine of this brochure for more information on vehicles.

## ADA ACCESSIBILITY

Look for the ADA symbol  in the tables on pages four to seven of this document. For more detailed information on accessible amenities, parking, and access points, call the Customer Service Center at 503-823-2525.

## CANCELATIONS AND RESCHEDULING

You may cancel your wedding permit prior to your scheduled event date, or reschedule your event once, without paying an additional non-refundable application processing fee. To cancel or reschedule, contact the Customer Service Center during regular business hours.

Permits with balances owing that have not been canceled before the event date may be subject to collections.

If you are found using a canceled permit, you will be billed for the rental and also fined the amount equal to the rental fee. Accounts with unpaid balances will be forwarded to collections.

## REFUND GUIDELINES

- Contact the Customer Service Center at least four business days prior to your event to receive a full refund of all usage fees.
- Contacting the Customer Service Center three business days or less prior to your event will result in a 50% refund of all usage fees.  
Refunds will not be given **after** your scheduled event date.
