We are going to try and move everyone over to panelists so we can have a conversation like a typical PCCEP meeting. Please raise your hands if you have a question and wait for us to call on you. Please be aware that any violations of our community agreements will result in removal from panelists.

People at the scene removed critical evidence before officers arrived. Investigators ask that anyone with that evidence, as well as video, please contact police as these items are important to the investigation. Detectives would also like to speak with witnesses who left the scene without providing a statement, which could be useful in the case.
