PCCEP Codification

PCCEP codified via emergency ordinance on April 16, 2026, co-sponsored by Mayor Wilson, Councilor Kanal, and Councilor Novick.

Transitions PCCEP from a settlement-created body to a permanent City program.

Affirms advisory role to Mayor/Chief of Police and required response to recommendations.

Expands size of body from 13 to 15 members; changes youth member age range to 15-23.

Positions PCCEP as an ongoing (“evergreen”) mechanism for community oversight and engagement.

THANK YOU

With gratitude to PCCEP members, City staff, elected officials, and most importantly, the community members whose sustained advocacy and investment in our mission over the past decade made PCCEP codification possible.

Community Conversation on PPA Contract Event Debrief

Held on April 11 at Matt Dishman Community Center

Approximately 25 community members attended. Representatives from the Bureau of Human Resources and the City bargaining team attended and heard feedback.

2 breakout sessions (topics selected by attendees)

- Use of Force & Community Safety
- Police Accountability & Discipline

Key themes from input shared included

- Lack of clarity, consistency, and trust around use of force and police decision-making
- Community safety defined by services (housing, mental health, etc.), not policing alone
- Concern that police presence can escalate situations, leading to fear and hesitancy to call
- Desire for stronger accountability, transparency, and alternative response options

Meeting Cadence

Full Committee – target is now 4th Wednesday of the month to avoid conflict with CBPA
