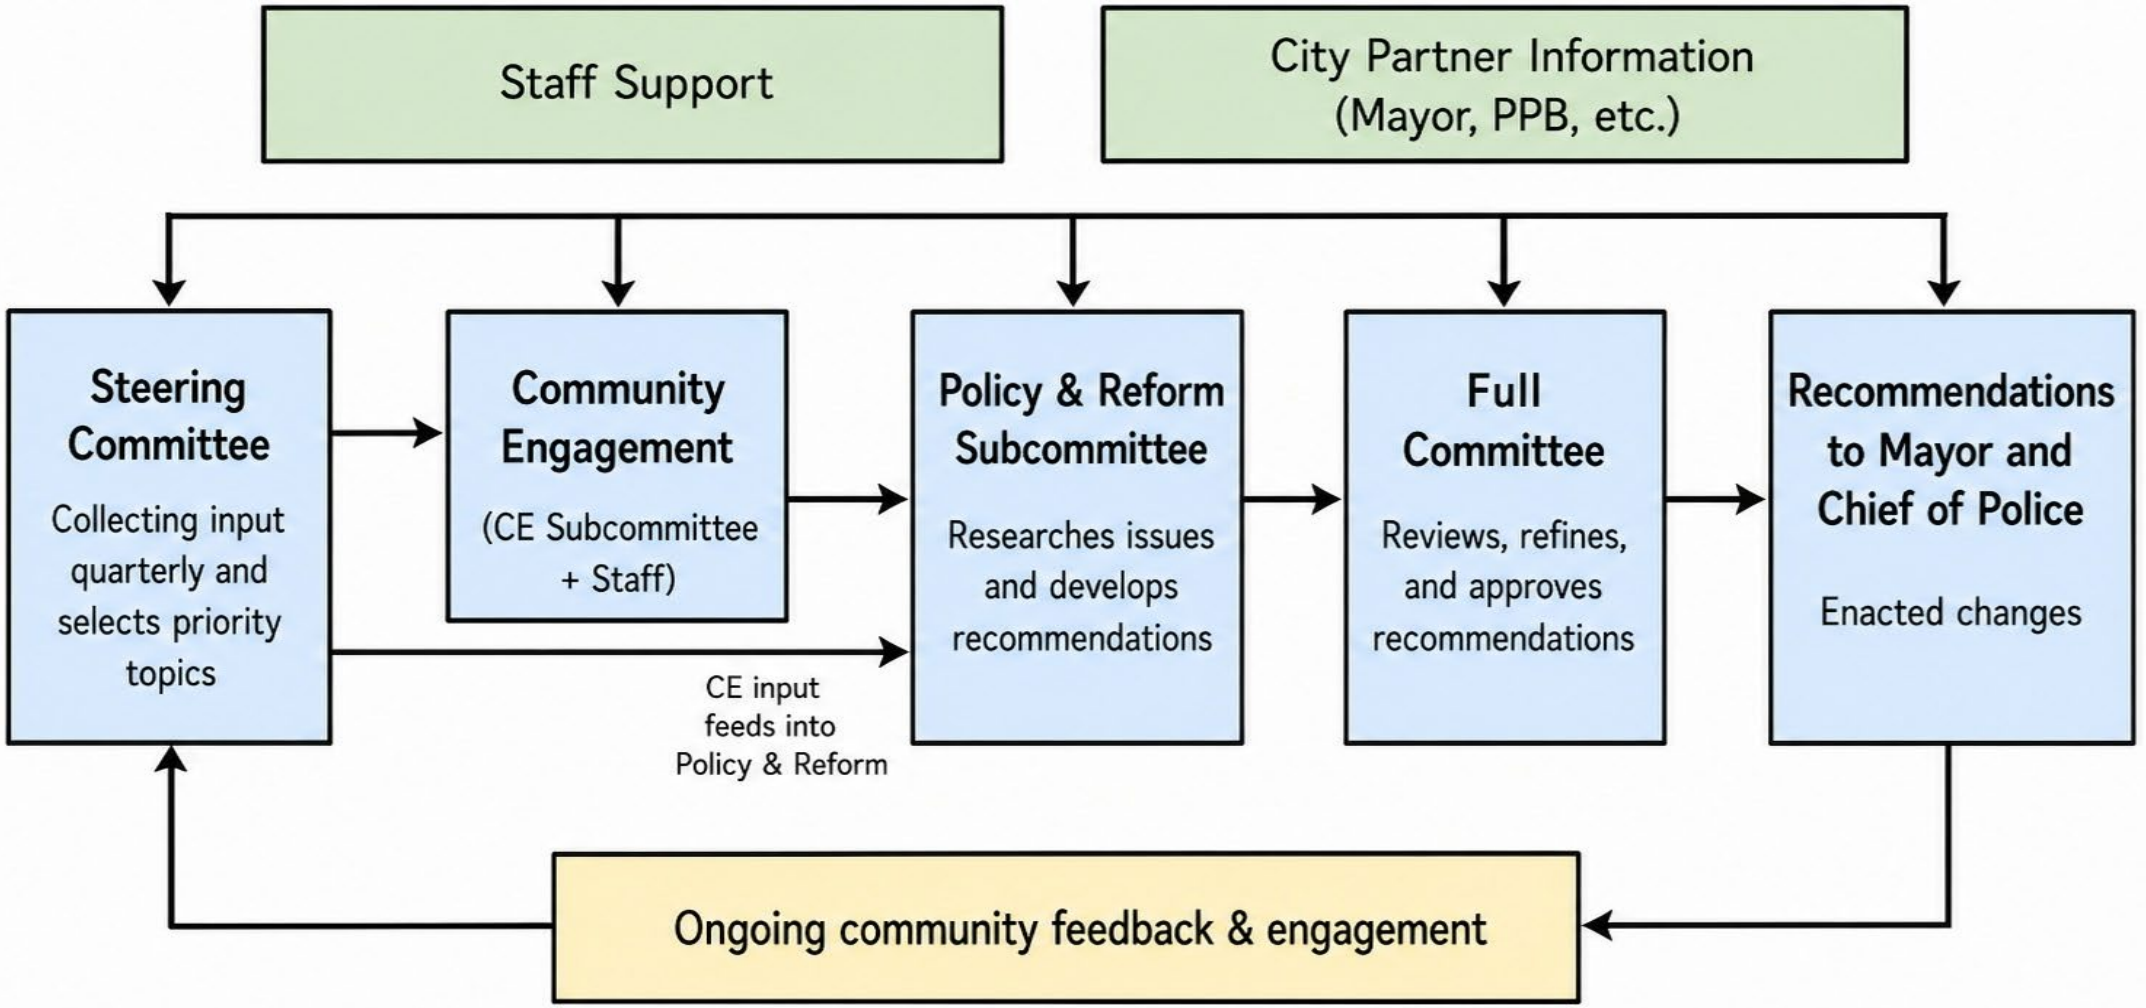
Portland Committee on Community-Engaged Policing (PCCEP) Workflow



Committee Structure

Community Engagement Subcommittee

Gathers input from community stakeholders, such as by holding monthly gatherings in community space

Supported by continuous outreach from CE Coordinator

Some meetings are devoted to summarizing input

Deliverables = summary of feedback and themes to P&R subcommittee

Policy & Reform Subcommittee

Receives deliverables from CE subcommittee

Develops recommendations and potential policy changes

Sends recommendations to Full Committee for approval

Committee Structure

Full Committee

Reviews, refines, and formally advances recommendations to Mayor and Chief of Police

Reviews all materials that impact full committee, such as bylaws, PCCEP Plan, group statements to Judge, etc.

Steering Committee

Sets overall direction and priorities, including identifying key public safety topics for the committee to focus on.

Meets quarterly

Comprised of PCCEP leadership members, attended by all committee members (if possible)

How they work together:

Steering identifies focus areas for both subcommittees → Community Engagement gathers input → Policy & Reform analyzes and develops recommendations → Full Committee reviews and advances them.

Steering Committee Role

Role: Set PCCEP's proactive workplan by reviewing community input, emerging issues, and member priorities, then deciding which topics should move forward for deeper work.

Key functions:

Review themes from community engagement, public comment, member observations, and City/PPB developments.

Identify which issues are timely, actionable, and within PCCEP's role.

Select or refine **quarterly focus areas** for the Community Engagement and Policy & Reform subcommittees. **Quarterly = 2-3 topics MAX per part of committee per quarter.**

Make sure PCCEP's work stays strategic, community-informed, and connected to potential recommendations.
