

## **PCCEP Race and Ethnicity Subcommittee is hosting a listening for their July meeting**

We want to hear from the public, especially communities of color and their concerns around Portland Police Bureau and compliance with the settlement agreement.

This is your opportunity as community members to share your vision and help shape recommendations for PCCEP to create a better, safer police culture in Portland. Sign language and Spanish interpreter will be present.

**Thursday, July 18 from 6-8pm – The PCCEP Office at 525 NE Oregon St. Suite 250 Portland, OR 97232**

**What is PCCEP?** The Portland Committee on Community Engaged Policing is the police-oversight body for Portland. It was created through a settlement agreement between the City of Portland and the U.S. Dept. of Justice.
