# Methodology and Sources

## Definition of Terms

**ACS.** American Community Survey

**Affordable Housing.** The term “affordable housing”, “affordable rental housing” or “housing affordable to rental households” means that the rent is structured so that the targeted tenant population pays no more than 30 percent of their gross household income for rent and utilities. The targeted tenant populations referred to in this section include households earning up to 80 percent of area median income.

**American Community Survey.** An ongoing Census Bureau survey that collects data on age, race, income, transportation, housing, and other characteristics.

**Area Median Income.** Area median income for the Portland Metropolitan Statistical Area as defined by HUD as adjusted for inflation and published periodically.

**AMI/MHI.** Area Median Income/  
Median Household Income

**Area Median Income/Median Household Income.** The median divides the income distribution into two equal parts: one-half of the cases falling below the median income and one-half above the median.

**Average Asian Household.** A household profile developed using data from the ACS to derive the median household income for a household with the head(s) of household identifying as Asian.

**Average Black Household.** A household profile developed using data from the ACS to derive the median household income for a household with the head(s) of household identifying as Black or African American.

**Average Foreign-Born Household.** A household profile developed using data from the ACS to derive the median household income for a household with the head(s) of household identifying as being Foreign-Born.

**Average Latinx Household.** A household profile developed using data from the ACS to derive the median household income for a household with the head(s) of household identifying as Hispanic-Latinx.

**Average Couple with Family.** A household profile developed using data from the ACS to derive the median household income for a household with the head(s) of household identifying as being married with children under the age of 18.

**Average Native American Household.** A household profile developed using data from the ACS to derive the median household income for a household with the head(s) of household identifying as Native American or Alaska Native.

**Average Portland Household.** A household profile developed using data from the ACS to derive the median household income for a household in Portland.

**Average Senior Household.** A household profile developed using data from the ACS to derive the median household income for a household with the head(s) of household identifying as over 65 years of age.

**Average Single Mother Household.** A household profile developed using data from the ACS to derive the median household income for a household with the head(s) of household identifying as a female single head of household with children under the age of 18.

**Average Three Person Extremely Low Income Household.** A household profile developed using the Department of Housing and Urban Development’s three-person household income limit for households earning at or below 30% of area median income.

**Average Three Person Low Income Household.** A household profile developed using the Department of Housing and Urban Development’s three-person household income limit for households earning at or below 50% of area median income.

**Average Three Person Moderate Income Household.** A household profile developed using the Department of Housing and Urban Development’s three-person household income limit for households earning at or below 80% of area median income.

**Average White Household.** A household profile developed using data from the ACS to derive the median household income for a household with the head(s) of household identify as White Non-Hispanic.

**BPS.** The City of Portland’s Bureau of Planning and Sustainability.

**CARES Act.** The Coronavirus Aid, Relief, and Economic Security Act

**CDBG.** Community Development Block Grant

**Census Tract.** Census Tracts are small, relatively permanent statistical subdivisions of a county or equivalent entity that are updated by local participants prior to each decennial census as part of the Census Bureau's Participant Statistical Areas Program.

**City Subsidy.** Locally controlled public funds administered by Prosper Portland, the Portland Housing Bureau, or other City bureau or agency, allocated for the purpose of creating or preserving affordable rental housing to households below 80 percent of area median income. City subsidies may be provided to developers through direct financial assistance such as low interest or deferred loans, grants, equity gap investments, credit enhancements or loan guarantees, or other mechanisms.

**City Subsidy Project.** Privately owned properties of five or more units which receive a City subsidy after the effective date of Title 30.01 through programs designed to create or preserve rental housing affordable at or below 80 percent of area median income.

**Community Development Block Grant.** Created under the Housing and Community Development Act of 1974, this program provides grant funds to local and state governments to develop viable urban communities by providing decent housing with a suitable living environment and expanding economic opportunities to assist low- and moderate-income residents. CDBG replaced several categorical grant programs, such as the Model Cities program, the Urban Renewal program, and the Housing Rehabilitation Loan and Grant program.

**CoStar.** A private real estate research, survey, and data analysis firm.

**Decennial Census.** The Decennial Census, undertaken by the U.S. Census Bureau, occurs every 10 years, in years ending in zero, to count the population and housing units for the entire United States. Its primary purpose is to provide the population counts that determine how seats in the U.S. House of Representatives are apportioned.

**Emergency Shelter.** Short-term, temporary assistance that provides overnight stays for adults, youth or families experiencing homelessness—emergency shelters are usually facility-based.

**Extremely Low Income.** Describes individuals, households or tenants with a gross household income at or below 30 percent of the area median income.

**HOME.** The Home Investment Partnerships Program provides formula grants to states and localities that communities use—often in partnership with local nonprofit groups—to fund a wide range of activities that build, buy, and/or rehabilitate affordable housing for rent or homeownership, or to provide direct rental assistance to low-income people.

**Homeless.** People who are living in a place not meant for human habitation, in emergency shelter, in transitional housing, or are exiting an institution where they temporarily resided; people who are losing their primary nighttime residence within 14 days and lack resources or support to remain in housing; families with children or unaccompanied youth who are unstably housed and likely to continue in that state; people who are fleeing or attempting to flee domestic violence, have no other residence, and lack the resources or support networks to obtain other permanent housing; and households who are unsafely and precariously housed.

**Homeless Management Information System (HMIS).** A locally implemented data system used to collect client-level data and data on the provision of housing and services to homeless individuals, families and persons at risk of homelessness.

**Housing Stock.** The total number of single-family and multifamily housing units.

**HUD.** The United States Department of Housing and Urban Development

**Inclusionary Housing.** Also known as inclusionary zoning, refers to Portland planning ordinances that require a given share of new construction to be affordable by people with low to moderate incomes.

**Land Bank.** Governmental or non-governmental nonprofit entity established, at least in part, to assemble, temporarily manage, and dispose of vacant land for the purpose of stabilizing neighborhoods and encouraging reuse or redevelopment of urban property.

**LIHTC.** Low-Income Housing Tax Credit

**Low Income.** Describes individuals, households or tenants with a gross household income at or below 80 percent of the area median income.

**Low-Income Housing Tax Credit.** A tax incentive intended to increase the availability of low-income housing. The program provides an income tax credit to owners of newly constructed or substantially rehabilitated low-income rental housing projects.

**Multifamily Unit.** Includes rental and ownership units in multifamily buildings containing at least two or more housing units with two or more families.

**Naturally Occurring Affordable Housing.** Privately-owned residential rental properties that command low rents, without subsidy, due to their age or physical condition.

**NOAH.** Naturally Occurring Affordable Housing.

**PDC.** See Prosper Portland.

**Permanent Supportive Housing.** Safe, affordable, community-based housing that provides tenants with the rights of tenancy and links to voluntary and on-going support services, including case management, mental health and substance abuse treatment, disability acquisition, healthcare, employment and job training.

**PHB.** The City of Portland's Housing Bureau

**Preference Policy.** The preference policy identifies areas in N/NE Portland that were subject to high levels of urban renewal and prioritizes housing opportunities to current or former residents of those areas, and their descendants.

**Preservation.** The recapitalization of affordable rental housing to improve, stabilize, and safeguard affordable housing units.

**Prosper Portland.** The City of Portland's Development Commission

**Regulated Affordable Unit.** A housing unit with a regulatory agreement tied to the deed that requires affordability for an established income level for a defined period of time.

**Rehabilitation.** The rehabilitation of an existing building into affordable rental housing.

**RMLS.** A privately owned real estate database of residential home sales in the region.

**Single-Family Unit.** Rental and ownership units, including single-family homes, duplexes, townhomes, row homes, and mobile homes.

**Short Term Rent Assistance (STRA).** Local program that provides limited housing assistance (up to 24 months) to households that are experiencing homelessness or at risk of homelessness.

**Short-Term Rental.** Rental of a shared room or private residence without a signed lease for less than 30 days; generally offered through Airbnb, VRBO, and other host sites.

**TIF.** Tax Increment Financing

**Tax Increment Financing.** Revenue generated by issuing various debt instruments which borrow against future growth in property taxes within a designated urban renewal boundary.

**Transitional Housing.** A housing program that provides a place to stay and supportive services for up to two years to assist individuals and families to move into permanent affordable housing.

**Unit Produced.** A housing unit completed and active in the housing stock.

**Unit Permitted.** A housing unit with a permit for construction issued.

**URA.** Urban Renewal Area

**Urban Renewal Area.** An area included in an urban renewal plan under ORS 457.160.

**Very Low Income.** Describes individuals, households or tenants with a gross household income at or below 50 percent of the area median income.

# Methodology

## Part 1.01 Population, Households, and Income

Population, household, income, homeownership, and racial composition data derived from the 2000 Decennial Census, the 2010 Decennial Census, the 2020 Decennial Census, 2011-15 5-year estimates, and the 2016-2020 5-year estimates from the American Community Survey—tables A10001, A10060, B01003, B02008, B02009, B02010, B02011, B02012, B03003, B05012, B11001, B11001A-I, B11005, B11016, B17020, B19001, B19013, B19013A-I, B19019, B19019, B19113A, B19113B, B19113C, B19113D, B19113E, B19113I, B19049, B19126, B25119, B25003, B25003A, B25003B, B25003C, B25003D, B25003E, B25003I, B25070, B25118, B25119, DP-1, DP02, DP03, DP05, H014, H016H, HCT012, P011, P015, P021, P053, P087, QT-H13, QT-P5, QT-P10, QT-P20, QT-P21, QT-P24, and S1901.

## Part 1.02 Housing Stock and Production

Multifamily and single-family data derived from Multnomah County Tax Lot data and Metro Portland's Multifamily Inventory database. Multifamily and single-family permitting data derived from the Bureau of Planning and Sustainability and Bureau of Development Services permitting data.

## Part 2.03 Rental Housing Market Affordability

Household profile data derived from the American Community Survey—tables S1901, B19019, B19113A, B19113B, B19113C, B19113D, B19113E, B19113I, B19049, and B19126. A 30% share of an equal monthly proportion of the annual median household income data was derived to measure against market rent data. Market rent data derived from the CoStar Multifamily Residential Market data set. Rent data referenced the average 2nd quarter monthly asking rent.

## Part 2.02 Homeownership Market Affordability

Household profile data derived from the American Community Survey—tables S1901, B19019, B19113A, B19113B, B19113C, B19113D, B19113E, B19113I, B19049, and B19126. A 30% share of an equal monthly proportion of the annual median household income data was derived to measure against market home sales data. Median home sales data derived from the Regional Multiple Listing Service data set. Home sales data reference the median home sales price in years 2000 through 2020.

## Part 3 Neighborhood Profiles

Neighborhood analysis areas derived from the Bureau of Planning and Sustainability and the Portland Plan 20-Minute Neighborhood areas. Boundary lines have been adjusted to align with the closest census tract/block group/block boundary to minimize margin of error in data analysis.

## Part 4.01 Citywide Policy Targets

Citywide policy targets derived from the 1980 Comprehensive Plan Goals and Policies November 2011 version. Housing Bureau staff assessed the planning documents for goals, policies, objectives, etc. that were proximally associated with affordable housing. Housing Bureau staff then determined the affordable housing goals, policies, objectives, etc. for those which had a relatively objective method for assessing progress and those were included as citywide policy targets. Multiple sources of data and information were utilized by staff to determine if the City is currently meeting or not meeting the policy targets.

## Part 4.02 Central City Policy Targets

Central City policy targets derived from the Central City 2035 Concept Plan October 2012 version, the Central City Southeast Quadrant Plan July 2015 version, the Central City 2035 West Quadrant Plan March 2015 version, the Central City 2035 N/NE Quadrant Plan October 2012 version, City Council Resolution 36021, and the 1988 Central City Plan. Housing Bureau staff assessed the planning documents for goals, policies, objectives, etc. that were proximally associated with affordable housing. Housing Bureau staff then determined the affordable housing goals, policies, objectives, etc. for those which had a relatively objective method for assessing progress and those were included as citywide policy targets. Multiple sources of data and information were utilized by staff to determine if the City is currently meeting or not meeting the policy targets.

## Part 4.03 Urban Renewal Area Policy Targets

Urban Renewal Area policy targets derived from the Central Eastside Urban Renewal Area Housing Strategy 2003 version, the Downtown Housing Inventory and Policy Analysis 2000 version, the Gateway Regional Center Housing Strategy 2003 version, the ICURA Housing Strategy 2002 version, the Lents Town Center Housing Strategy 2000 version, the North Macadam Housing Development Strategy 2003 version, the Lloyd District Housing Strategy 2002 version, and the River District Housing Implementation Strategy June 1999 version. Housing Bureau staff assessed the planning documents for unit production goals, policies, objectives, etc. that were associated with affordable housing and those were included as citywide policy targets. Multiple sources of data and information were utilized by staff to determine if the City is currently meeting or not meeting the policy targets.

## Part 4.04 Rental Housing

Regulated affordable rental unit data derived from Portland Housing Bureau asset portfolio data sets. Regulated affordable rental unit counts are added to the production pipeline in various stages based on whether the project is under review, in pre-development, or under construction. Regulated affordable rental units shift from being reported in the production pipeline to being counted in the asset portfolio when construction is in final stages/complete and units become move-in ready.

## Part 4.05 Homeownership

Homeownership data derived from Portland Housing Bureau single-family loan portfolio data sets and program outcome data sets.

## Part 4.06 Homelessness

Homelessness data derived from program outcome data sets.

## Part 5 Funding

Historical budget data, current budget data, and forecasting data derived from point in time analyses by the finance and accounting staff at the Portland Housing Bureau.

An abstract graphic featuring a collage of colorful rectangular blocks representing buildings. Each block has a grid of smaller squares or rectangles of varying shades, creating a pattern that mimics windows on a city skyline. The colors include various shades of blue, green, orange, purple, and pink.
