Addendum #1 – Preservation Projects Definition and Application and Submittal Requirements Spring 2025 Preservation RFP April 1, 2025

This addendum updates or clarifies the definition of preservation projects and application submittal requirements for proposals submitted in response to the Spring 2025 Preservation RFP as follows:

Section II. Introduction and current opportunity

Preservation Projects

- Project is currently subject to a regulatory agreement and/or debt encumbrance with PHB or OHCS or *has a project-based federal rental assistance contract.*

Section V. Application and Submittal Requirements

Each entity may submit up to a maximum of two proposals. For the purpose of this solicitation one proposal equals one project, unless an applicant is bundling multiple projects of four units or more to reach the twenty unit minimum.
