Re: Response to BHUAC Recommendations from July 2019 Meeting

---

### **July 2019 Committee Votes and Recommendations**

The committee recommended to draft a letter in response to the Mental Health Alliance's (MHA) request for open to the public BHUAC meetings.

***RESPONSE: The BHU understands that a great deal of discussion and thought has gone into the request surrounding open BHUAC meetings. The BHU supports the drafting of a letter in response to the Mental Health Alliance's formal request, which will highlight the decision of the group.***
