NARRATIVE

AUTHOR HAAGENSON, JEFFREY (52779)	DATE/TIME 11/13/2022 1850
---	-------------------------------------

SUBJECT
STOLEN VEHICLE

Self dispatched to take a report of a stolen vehicle. The call notes from BOEC read: TSR ON COMPS GRY KIA OPTIMA POSS PLT GCL250/ COMING BACK UTL. NO SUSP INFO. PINA.

I made contact with the registered owner of the vehicle, GINGER, via telephone. I confirmed GINGER's identity by having her confirm her Oregon driver license number.

GINGER told me the following: The vehicle (OR 627GCL) was parked in front of her home when it was stolen. Her neighbor showed her a video from a surveillance camera which shows the vehicle was stolen around 1450 hours on 11/13/2022. GINGER's neighbor emailed me a video of her vehicle being stolen which shows a man enter the vehicle and drive away approximately one minute later. The man apparently is wearing a face mask and the video is too far away to develop a viable suspect identification. I will upload the video to DIMS.

Distinct Features: None.

Keys: Not with the vehicle when stolen.

Estimated Value: \$10,000

Weapons: None

Serialized Property/Valuables: None

License Plates: Both are properly affixed to vehicle.

I contacted PPB Auto Records to have the vehicle entered as stolen. DPSST 91943.

I emailed GINGER the tow election form and she indicated she would like to be called and texted if the vehicle is found. Her service provider is Xfinity.

GINGER selected she would like her vehicle towed if it is located and she cannot be reached. I did not complete a tow election form since I took the report via telephone.

I provided GINGER with the appropriate case number via email.
