Timing and Method of Payment

The City will give you a Notification of SDC Fees if you are required to pay any charges for your development. At this point you will decide when and how to pay for the SDCs.

For all SDCs...

- Pay by cash, check, money order or credit card at the time the City issues a building permit.
- Water SDCs are due when water services are purchased. Pay by check, money order or credit card.
- Request a City loan by completing and signing an installment contract to pay the SDCs in monthly installments over a number of years.*
- Defer payment for 6, 9, or 12 months, depending on the project valuation.
- Transfer SDC credits (contact respective bureaus for more information).
- Provide proof of the PHB SDC Exemption approval, as applicable.

***SPECIAL NOTE:** The City secures a loan or deferral by recording a lien on the benefited property. The lien remains in effect until the SDCs are paid in full. The City charges a non-refundable processing fee to cover the expense of setting up a loan or deferral. The installment contract must be signed by the property owner of record before the City authorizes a loan for the SDCs.
