## INSTRUCTIONS

Use this form to request a Public Works Appeal. A Public Works Appeal is an appeal of non-technical decisions made by the Public Works Bureaus (Water, Transportation, and Environmental Services) as a result of reviewing an application for a public works permit, a building permit, or a land use review. Public Works Appeals do not alter completed land use reviews. You are advised to discuss your case with staff before filing an appeal against a completed land use review.

Prior to appealing a Public Works Permit decision, the applicant must have fully exhausted all available administrative remedies, including but not limited to variances, alternative methods reviews, design exceptions, special circumstance reviews, and bureau-level administrative reviews.

Examples of requirements that can be appealed are: the requirement for or size of a dedication, the requirement for the construction of improvements, the requirement for the width or location of a sidewalk, or the requirement to relocate water and sewer mains.

Do not use this form to request design exceptions for technical requirements that are part of a public works permit. For public works design exceptions, contact Public Works Permitting at [PublicWorksPermitting@portlandoregon.gov](mailto:PublicWorksPermitting@portlandoregon.gov) or (503) 823-1987. Examples of requirements not subject to a Public Works Administrative Appeal are changes in materials, thickness of materials, number of driveways, driveway location or width, and cross sections.

This form must be filled out completely. For help in completing the form, consult with the Public Works staff assigned to your project, email [PublicWorksPermitting@portlandoregon.gov](mailto:PublicWorksPermitting@portlandoregon.gov), or call (503) 823-1987. Any details of the decision being appealed must be included on this form to be considered. Attach any previously submitted maps, drawings, plans, reports or other materials related to this appeal. **No new information pertaining to the decision may be submitted.**

The \$250.00 fee payment and any supplemental information must be submitted with this form. Appeal requests will not be accepted as complete until the fee payment is made. Email application to: [PublicWorksPermitting@portlandoregon.gov](mailto:PublicWorksPermitting@portlandoregon.gov)
