SCHEDULE R (Rev. 12/21/2020)

# RESIDENTIAL RENTAL REGISTRATION (SCHEDULE R)

#### **TAX YEAR 2018**

## **City of Portland Business Income Tax**

## **Residential Rental Registration Program**

According to Portland City Code 7.02.890, all owners of residential rental property in the City are required to annually provide a schedule that includes the address of all owned residential rental units within the City. For purposes of this form, "residential rental unit" means any residential property rented or offered for rent for a period of more than 30 consecutive days. Short-term rentals, such as hotels, are not required to complete this form. If a property contains more than one residential living quarter, the term "residential rental unit" refers to each separate living quarter.

You will need to complete this form if your business (including subsidiaries) or tax-exempt entity owns any residential rental property within the city boundaries of Portland. (Please note that "Portland" is often assigned by the USPS to addresses that are in unincorporated areas outside the city boundaries of Portland.) To determine whether a property is within Portland, go to <a href="https://www.portlandmaps.com">www.portlandmaps.com</a> and enter the address in the search field. If "Portland" is listed as a "Jurisdiction", the property should be included in the list on the front page.

## <u>Instructions</u>

All residential rental units owned at any point during the tax year must be reported.
