

Safe Rest

Streets to Stability

Village shelter coming soon!

American Rescue Plan
Investing in Portland

What they offer:

- **Entry by Referral by Specific Outreach Workers Only.** We only accept referrals from certain outreach workers – there are no units available for walk-in or other referrals.
- **Safe Personal Space.** Each resident (or couple) has personal, locking sleeping unit with air conditioning, heat, electricity, and a bed.
- **Flexibility.** Partners, pets, and possessions are allowed at all villages. There are no curfews or restrictive rules. Guests are asked to follow community guidelines to ensure the village is a health environment for everyone.
- **Basic Amenities.** Each village has flush toilets, showers, and laundry.
- **A Minimum of One Meal a Day.** Shelter operators will provide at least one meal a day, and each village has a kitchenette space for all to use.
- **Safety and Security.** 24/7 on-site staffing, with 7' privacy fence.
- **Services.** Case management, peer support, and other services to help you achieve your housing and personal goals.
- **On-Site Services for Participants Only.** Services and programs offered on-site are only for villagers; there will be no walk-up services available.
- **Community.** A covered, community gathering space will be available. Participants and village operators will be able to build community together, with art, gardening or whatever else they want to see happen in this shared space.
