Peninsula Crossing SRV

Welcome to the Peninsula Crossing SRV (the program). This program is currently operated by Urban Alchemy (UA). UA strives to create comfortable, safe, and healing environments where all guests can enjoy a peaceful stay and have access to resources that will help them achieve their goals. Urban Alchemy refers to those staying at this program as guests, because we intend to treat you like a guest in our home. We are here to serve you and will do everything we can to provide a high-quality environment that respects everyone who lives and works in and around the program. All guests are entitled to fair, respectful, and equitable treatment and we ask that you provide the same to our guests, staff, and neighbors.

As a condition of participation in this program, you must agree to the terms and conditions in these Community Guidelines. Please read the Community Guidelines and initial next to each item to indicate that you fully understand and accept each guideline. Please note that these guidelines can be modified at any time and guests will be notified of any changes. Please also note that this agreement is fully enforceable in the event of a transfer in management to another operator and any new operator reserves the right to issue new guidelines.

OCCUPANCY ISSUES

 Occupancy: The program does not provide permanent housing. Guests staying at this site do not have tenancy rights. You understand that this program creates no right or interest enforceable under Oregon or Portland landlord tenant laws. UA reserves the right to move a person or persons to a different space for any reason. UA may terminate a guest's ability to enter or remain on the premises at any time and for any reason, at UA's sole discretion.

 Couples: In general, each space at the program is for a single individual. However, The program has a limited number of spaces for two people who identify as a couple. UA reserves the right to separate couples into individual units/sites. If you have entered the site as a couple and later prefer a single unit/site, please inform a member of staff and we will do our best to accommodate you. Please note if one member of a couple is discharged from this program, the other member is welcome to stay assuming they are following these guidelines. They may be relocated to another unit/site.

_____ **Length of stay:** This is a temporary program designed to provide a safe, clean environment to unsheltered individuals. If you comply with these Community Guidelines, there is no limit to how you can stay as long as the program remains open. If the program closes, we will do our best to find a bed in another program.

_____ **Abandoning a Unit/Site:** If you do not check in for more than 72 hours, your unit/site will be considered abandoned; you will not be able to return to the program. There are exceptions that can be worked out in advance with program staff including situations related to your job, getting medical care, or essential activities. If your unit/site is abandoned, UA will store your property for no more than 30 days.

_____ **Reasons for program discharge:** Guests are expected to follow these Community Guidelines. Failure to do so may result in discharge from the program. _____ **Referrals and Waiting Lists:** Access to the program is by invitation only and managed by local outreach teams. There are absolutely no walk-ins, so please do not invite other unhoused individuals to come to the program in search of shelter.
