

# ALPACA Worksheet

Name: \_\_\_\_\_

Bike safety is based on six principles (ALPCA). Write a description for each below:

**Aware:**

**Legal:**

**Predictable:**

**Assertive:**

**Courteous:**

**Able to be seen:**

Which principle could be applied to the following statements?

More than one principle may apply.

- 1) People riding bikes are allowed to "take the lane" or ride in the middle of a lane.
- 2) People riding bikes are required to use signals.
- 3) Potholes must be treated like bananas in Mario Kart.
- 4) People riding bikes must follow the same rules as people driving cars.
- 5) People riding bikes are encouraged to wear reflective clothing.
- 6) People under the age of 16 must wear helmets.
