B. CITY ACTIONS

City of Portland [COVID-19 information website](#).

NEW IN THIS REPORT

- Portland Parks and Recreation Director Adena Long and Mayor Wheeler [sent a letter](#) to friends, partners, and customers Tuesday, June 30, stating that most of the bureau’s recreation centers and programs will remain closed and cancelled beyond summer 2020. Due to COVID-19 shutting down recreation mid-March, PP&R missed months of revenue which had a financial domino effect. The bureau is developing a November ballot measure which would help Parks with operating costs and longer-term financial stability.

FROM PREVIOUS REPORTS

- In response to Phase I reopening and community input, Environmental Services is [postponing a sewer repair project](#) on N Mississippi Avenue until fall 2020.

- The City has [posted multiple open, continuous positions](#) at the Emergency Coordination Center for City of Portland Regular, Limited Duration, Seasonal and Casual employees whose work assignments are not available or may be reduced due to the current state of emergency and wish to work to support the COVID-19 response.

C. ECC ACTIONS

COORDINATION SECTION

Aging and Disability

Provide resources to the aging and disabled populations to address the needs associated with health and safety, social isolation, food security and caregiving.

- **UPDATE:**
 - **Coordinated with the Office of Community & Civic Life to send the Windows into Portland social media messages out.**
 - **Met with The Geezer Gallery director regarding Windows into Portland online engagement.**
 - **Identified additional senior and disability services organizations to share Windows into Portland media release with and began sending out.**

Equity & Language Access

Apply the City's Equity Toolkit and the Results-Based Accountability framework across all ECC objectives, projects and priorities. Ensure ADA compliance and nondiscrimination based on national origin in all external communications.

- **No Updates**

Food Security

Address food security needs with the most vulnerable communities in Portland.

- **UPDATE: The Food Security dashboard launched to facilitate better tracking of distribution efforts.**

LUNCH + PLAY

Program website: [Lunch + Play](#)

- Portland Parks & Recreation's (PP&R) FREE LUNCH + PLAY program works with five school districts to provide nutritious meals and recreational activities during summer break. In park-deficient east Portland, PP&R and its sponsors bring meals to apartment complexes and underdeveloped parks through the Mobile Lunch + Play program.
- The 16 Park Sites are: Summer Food Service Program (SFSP), a USDA program location. In qualifying parks where 50% or more of the school area children are eligible for free and reduced meals based on local schools or census data. Sites that serve an average of 50 meals per day. The 10 Mobile Sites are: At apartment complexes and underdeveloped parks in park-deficient neighborhoods in East Portland, and in areas where there are unsafe crossings and significant transportation barriers to get to the nearest Lunch + Play site. Selected in collaboration with an advisory committee made up

of representatives from the East Portland Community Office, Hazelwood NA, Historic Parkrose, New Portlanders Commission, Impact NW, Rose CDC, Human Solutions, and community partners from Russian and Spanish speaking communities.

- **UPDATES:**
 - **Distributed printed program guides to all program sites, ECC, and community partners.**
 - **Followed up with all sites to ensure they are entering accurate meal counts on daily reports. These numbers will be imported into the ECC Food Security dashboard.**
 - **Proofed multilingual banners that will be in the parks as visual reminders of safety measures.**
 - **Producing additional onsite bilingual marketing to encourage more people to take part in the program.**
 - **Met with Nike's "Made to Play" program to discuss giveaways at the Lunch + Play sites.**

CULTURALLY SPECIFIC FOODS

- Partnering with Equitable Giving Circle, a Black-led group of Portland businesswomen who have organized to address structural racism and economic inequity. This project, in response to COVID-19, is to purchase CSA shares of produce and proteins from BIPOC farmers to feed BIPOC families lacking access to fresh foods. Three hundred BIPOC households will be identified in partnership with trusted community-based organizations. Equitable Giving Circle will buy 300 CSA shares from local BIPOC farmers to feed the 300 selected BIPOC families with high-quality, locally grown, organic produce, supplemented with proteins produced by BIPOC farmers or other pantry staples, for 22 weeks over the 2020 growing season, from June through November.
- **UPDATE:**
 - **Scheduled meeting with Equitable Giving Circle to review invoicing/payment section of contract.**

FOOD BOX DELIVERIES

- In partnership with Hood to Coast we are implementing aspects of three programs to support food security. These include distribution of 100 contactless home food box deliveries a week for SUN Community Schools; 1,000 bulk deliveries a week to local organizations serving the aging and disabled and communities of color. Hood to Coast will also provide courier service of thousands of meals to 10 Lunch + Play mobile sites in outer east Portland. Program focus is on the following communities: Aging/Disabled; BIPOC; Black/African American; Latinx; Native American and Pacific Islander.
- **UPDATE:**
 - **Delivered 1,011 food boxes between Wednesday, July 1 and Thursday, July 2.**

Food Box Deliveries 7/1/2020 – 7/2/2020

St. Johns Food Share	120	Working toward food security and sustainability: Reliable access to a sufficient quantity of affordable, nutritious food is the heart of our efforts. As living costs rise, more families struggle with food insecurity. We believe working together to fight hunger and reduce food waste builds a better community.

Organization	Boxes	Organization's Mission
SUN Community Schools <i>Doorstep Deliveries</i> Alice Ott, Aleta, Centennial, Grout Lane, Mt. Tabor, Parkrose Heights, Sitton Communities	153	SUN (Schools Uniting Neighborhoods) Community Schools supports youth and their families in academics, social and emotional needs, trauma support, recreation and the arts. Focusing on youth of color, those experiencing poverty and/or houselessness and immigrants and refugees. Our goal is to bridge educational and social gaps among Portland residents. SUN is a collaboration with Multnomah County, non-profit agencies and school districts.
Real Choice Oregon	3	The Real Choice Initiative serves people with disabilities who need accessible and affordable housing and reliable in-home care, both sectors currently experiencing crises due to underfunded social services. The results of this lack of resources is a critical shortage of suitable rentals and in-home care providers, along with a generation of people with disabilities with severely limited options for living in the community.
Voz Workers' Rights	20	Voz is a worker-led organization that empowers diverse day laborers and immigrants to improve their working conditions and protect civil rights through leadership development, organizing, education and economic opportunity.

Focused on the following communities: Aging /Disabled, BIPOC, Black/ African American, Latinx, Native America, and Pacific Islander / Tongan.

HOUSELESS MEALS

- Ongoing coordination with the following organizations to ensure meals at houseless camps are available citywide: Because People Matter, Blanchet House, Free Hot Soup, Free Lunch Collective, Frontline Foods, Our Impact: Union Gospel Mission, Portland Rescue Mission, and Stone Soup.
- **No Updates.**

PDX CARES FOOD CARDS

- The goal of this program is to reach those with the greatest food security needs and to focus on populations that will continue to be most impacted over time.
- Working in collaboration with Multnomah County to issue \$1 million in PDX CARES cards. The cards are in \$250 - \$500 increments, based on household size. Recipients will be selected in partnership with 38 Community Based Organizations (CBOs) identified by the Joint Volunteer Information Center (JVIC). This CBO

engagement ensures assistance reaches those who may not qualify for federal aid based on immigration status, and hesitation about accessing government services.

- **UPDATE:**
 - **Distributed cards to Somali American Council of Oregon (SACOO) and Iraqi Society of Oregon.**
 - **Communicated with National Association for the Advancement of Colored People (NAACP) about food card contract and distribution.**
 - **Continuing to schedule distribution with other CBOs.**

JVIC

Coordinate volunteers and respond to offers and requests for assistance from the community.

- **UPDATE:**
 - **Working with Food Security team on distribution of PDX CARES cards to CBOs.**

Sheltering and Restroom Access

Provide houseless individuals access to shelters that allow safe physical distancing, and additional hygiene facilities to promote public health.

- **UPDATES:**
 - **The ECC Safety Officer conducted a risk assessment at the block B & C temporary Outdoor Emergency Shelters. The Safety Officer identified concerns around the water misters, food service, social distancing, and face covering use, and worked to address the issues (below).**
 - **Contacting Multnomah County Health to seek the service of a Health Official to educate individuals staying at the Outdoor Emergency Shelters on the dangers of COVID-19 and the importance of social distancing and face coverings.**
 - **Utilizing existing infographics created by the Joint Office of Homeless Services on how to properly wear a mask.**
 - **Communicating with Fire about the low-pressure issue in the misters.**
 - **Discussing with food providers about food service issues, e.g. no hot soup on hot days.**

ECC FINANCE SECTION

- **Tuesday, June 30 at 16:00 ended a successful Fiscal Year.**
- **Procurement started the fiscal year 2021 purchase orders (PO) and distributed purchase order (DPO) creations.**

News Coverage Analysis

- **Spread:** Governor Brown says Oregon is at ‘crossroads’ before coronavirus surge and extends state of emergency. Oregon COVID-19 updates June 30: Number of cases, positive test rate increases for fifth week in a row. Masks to be Required Throughout Oregon Starting Wednesday.
- **Economy:** Grocery store workers are frustrated over lack of mask enforcement. What the new mask mandate means for Oregon businesses. State employees wasted hours on Instagram as unemployment backlog grew: “A lot of us were playing on our phones.”
- **Equity:** “It’s a retraumatizing kind of experience.” COVID-19 is negatively affecting refugee communities in Multnomah County.

- **Politics: Portland City Council is [weighing](#) how to use Federal CARES Act money for COVID-19 relief.**

COMMAND'S EMPHASIS FOR OPERATIONAL PERIOD (6/26/20 – 7/3/20):

1. Directly protect human life and public health, including the safety and health of all City employees, and incident responders.
2. Proactively identify issues that could pose financial, legal or other risks to the City and our staff. Develop policies that reduce risk to the City and our workers, including reducing the risk of virus transmission. Ensure that response actions do not introduce new risk to the City, staff or volunteers.
3. Support the delivery of emergency services that the City and public depends on.
4. Create and maintain an ECC workforce that is oriented towards sustainability for a long-term incident requiring remote work and promoting ECC staff health and safety.
5. Minimize non-essential efforts and make wise use of resources in anticipation of a long-duration incident.
6. Uphold confidence in City government and demonstrate a unified City effort in response. Use established chains of command and agreed-upon processes for decision-making and communication.
7. Maintain unity of effort for strategic response and recovery planning for economic assistance to affected communities; maintain frequent and open communication between the ECC and City leadership, Prosper Portland, the Mayor's office, and state and federal agencies working on economic recovery efforts.
8. Address the immediate food security, safety and sheltering needs of all people in Portland during this emergency experiencing financial hardships and barriers to access by providing resources and maintaining trusted relationships with community partners, and work to ensure our recovery is building towards a resilient, prosperous, healthy, equitable, and just city for all.
9. Ensure that, as City and ECC staff, we eliminate or minimize disparities in services, resources, or access in our work to support diverse Portland communities, including people with disabilities, older people, racial and ethnic communities, immigrants, refugees, people who are LGBTQIA+ or two-spirit and veterans during this emergency, while also working toward longer term solutions.

ECC OBJECTIVES (6/26/20 – 7/3/20)

1. ECC-Administration:
 - a. Facilitate ECC staff's ability to work virtually, with ECC staff that is about 25% in-person and 75% virtual.
 - b. Partner with BHR to develop a two-part ECC Foundational Leadership Skills training exploring the foundational elements of leadership and building on their knowledge of equity, inter-cultural and multi-generational communication to optimize team dynamics. Make the training accessible to any ECC staff currently leading or who would like to lead a section or program in the ECC.
 - c. Improve Resource Unit processes by implementing a scheduling software and begin

- testing the software. Continue use of interim solution until a software is deployed.
- d. Develop position Task Book Training Program of qualifications for specific ECC positions for future deployment. Task books should identify the competencies, skillsets, and responsibilities that personnel should demonstrate to become qualified for a defined ECC position.
- e. Expand use of the [City's Equity Toolkit for COVID-19 Community Response and Recovery Efforts \(Equity Toolkit\)](#) and the Results-Based Accountability framework across all ECC objectives, projects and priorities.
- f. Use the ECC Effective Communications Guide in all external communications to help ensure ADA compliance and further our equity goals. A person with a disability should be able to share and receive information from the ECC as effectively as a person who doesn't have a disability.
- g. Use the Language Access Guidance for the COVID-19 Response in all external communications to help ensure nondiscrimination on the basis of national origin. External communications should be accessible to all communities in simple language (8th grade reading level), more languages, mindful of cultural norms, and formats or platforms that facilitate meaningful access, such as audio, audio-video, etc.

2. Coordination

- a. Aid the operations at temporary Outdoor Emergency Shelters for safety, intake, sanitation and food security for the shelter tenants until the end of the City of Portland Emergency Declaration.
- b. Support bureau COOP planners with planning for reentry based on framework provided by the City Workplace Safety Group (formerly known as the Citywide Reentry Work Group). Provide a twice monthly venue for the Work Group to present updates and solicit input from bureau COOP managers, safety managers and emergency managers
- c. Coordinate volunteers and respond to offers and requests for assistance through the Joint City-County Volunteer Information Center (JVIC) and reach out to and work with community-based organizations to streamline requests. Prioritize the distribution of identified supplies using the Equity Toolkit.
- d. Work on Aging and Disability's Window into Portland social media posts and schedule for continued engagement and support of participants throughout project.
- e. Address food security needs with the most vulnerable communities in Portland: Identify and work with networks and leaders in communities of color/immigrant communities, elders at risk, and people with disabilities to determine the most appropriate ways to address their needs. Use this work to support locally owned food providers and culturally identified businesses during the economic crisis.
- f. Continue scheduling time and locations with community-based organizations (CBOs) for direct distribution of PDX CARES food cards from City to CBO-identified households. Refine distribution plan as need after initial card distribution.
- g. Work on Lunch + Play communications, ensuring a mix of approaches that reaches community members most in need.
- h. Launch Food Security dashboard next week and share link widely with interested parties for "real time" reporting, with daily and cumulative impacts of all programs

within Food Security project rolled up in a simple graphic. With CBO feedback and JIC approval, create and distribute an e-newsletter for CBOs to inform them of JVIC news and resources.

3. Finance:
 - a. Support the Local Relief Fund Task Force.
 - b. Track all expenses pertaining to the Food Security Initiative.
 - c. Provide financial guidance and support to the temporary Outdoor Emergency Shelters until the end of the City of Portland Emergency Declaration.
 - d. Review and update the Grants Management Division policy and procedures manual to ensure compliance with CARES Act requirements.
 - e. Gathering supporting documentation for FEMA public assistance grant project applications for bureau expenses.
4. Joint Information Center (JIC):
 - a. Complete cross training and onboarding new Lead PIO, scheduled to begin full time on July 1.
 - b. Meet with Multnomah County about implementing a partnership campaign to encourage the public to wear face coverings.
 - c. Revise/update existing graphics to visually support new City directive regarding City employee's face covering requirements. This is only for City employees and contractors who work in City facilities.
5. Logistics:
 - a. Assist our local City and County partners with logistics for ongoing physical distancing shelters.
 - b. Reinforce supply chains for bottles and bottle recovery through Printing & Distribution.
 - c. Support JVIC in sourcing and providing resources for community members.
 - d. Develop a plan to ensure efficiency and effective activation of Logistics personnel, supply sourcing, and City-wide supply chain setup during remobilization, demobilization, City reentry, and COVID-19 resurgence.
 - e. Conduct unit, demand, and vendor capacity analysis to ensure adequate logistic and resource capabilities in the event of COVID-19 resurgence related to the current surge in community gathering events and/or City reentry.
 - f. Update safety warnings on all potentially hazardous supplies to include language that all users can understand.
 - g. Review and provide supply requests in a manner equitable to City bureaus and community needs.
 - h. Maintain a rapid response capability for setting up temporary structures for COVID-19 testing, prescreening, medical care or other temporary structures and the associated equipment as needed and requested.
6. Planning:
 - a. Prepare for July 17 Disaster Policy Council meeting, in coordination with ECC Manager and City leadership.

- b. Assist and collaborate with the Equity Officer to integrate the Equity Toolkit and other equity practices into the work of the ECC and implement the Equity Officer objectives.
 - c. Plan for pandemic resurgence and concurrent emergencies (wildfires, excessive heat, air quality event) including ECC management and staff, work closely with the Coordination Section COOP Unit and PBEM leadership.
 - d. Refine the draft Fall/Winter Virus Peak Tabletop Exercise scenario for a pandemic resurgence by July 2. Identify next steps, including follow up with Mayor's Office and the City Workplace Safety Group, in preparation for the July 16 exercise.
 - e. Develop Forward Planning Digest focused on COVID-related eviction moratoriums.
 - f. Work with ECC GIS and JIC to release new issues of the Forward Planning Digest on the internal ECC GIS Hub and to the public on the City website. Identify past digest issues to be posted.
 - g. Continue to expand use of the ECC Project Tracker within the Coordination Section, then deploy for other sections as identified.
 - h. Work with ECC Leadership, ECC GIS, and the ECC Equity Officer to refine and determine use of the Equity Impact Tool.
 - i. Develop tools to assess process improvements related to information flow, communication strategy, on and off boarding, and section staff planning.
 - j. Widely issue and collect responses to a stakeholder survey to identify potential improvements to the ECC Situation Status Reports.
 - k. Work with the ECC GIS Unit, ECC Tableau staff, ECC Equity Officer, and ECC Sections, to identify Equity Map and Table use cases
 - l. Complete cross training and onboarding of new Planning Chief, scheduled to begin full time on July 6.
 - m. Work with ECC Resources Unit on recruitment and hiring of Planning Section Deputy Chief and Documentation Unit Lead.
7. Safety Officer:
- a. Circulate the Employee Exposure Strike Team procedure, standing agenda and notification template to Strike Team. Be ready to implement the Strike Team process beginning of July.
 - b. Develop workplace contact tracing guidance by July 2. Integrate into the Employee Exposure Strike Team process, to assist bureaus.
 - c. Develop a COVID-19 Toolkit to include Illness in the Workplace, Workplace Contact Tracing, Self-Quarantine information, and facilities guidance regarding access, cleaning, communication and more. Make the toolkit accessible to all City employees by July 10.
8. Equity Officer:
- a. Develop a work plan to integrate the adopted Equity Toolkit into ECC daily operations, information sharing, decision making, and resource distribution.
 - b. Continue to integrate the Equity Toolkit into the ECC Action Plan by setting equity goals and indicators for each ECC Section, as well as modifying existing objectives with an equity lens.
 - c. Identify other tools to be developed, such as creation of a geographic equity

- assessment tool, alignment with Social Determinants of Health framework, and/or refinement of existing decision-making rubrics.
- d. Set equity accountability measures and define how the measures will be integrated with overall City COVID-19 progress.

D. BUREAUS' STATUS FOR CONTINUITY OF OPERATIONS PLAN (COOP) ACTIVATION AND ESSENTIAL FUNCTIONS

Bureaus with impaired Essential Functions or a COOP status other than “Active” are displayed in the table below. All other bureaus not displayed in this table have COOPs in Active status and no essential functions impacted.

Bureau/Office	COOP/Incident Command Post Status	Essential Function* Status
Development Services (BDS)	Active	All permits being accepted electronically. Plan Review and Land Use Service divisions receiving fewer applications; review times extended due to remote technology challenges.
Emergency Communications / 911 (BOEC)	Partially Active	No Essential functions impacted
Fire & Rescue (PF&R)	Inactive	One Tier 3 essential function suspended: public education office.
Housing	Active	HOME rental inspections delayed
OMF Technology Services	Active	BTS has paused any non-essential projects and has previously set bureau expectations for project delays.
Parks & Recreation (PP&R)	Active, BICP Active	Previously suspended Park essential functions remain so.
Police (PPB)	Active, BICP active	One Tier 1 impairment. 16 Tier 2 and 3 impacted
Water (PWB)	Enhanced Operation	No Essential functions impacted

**Bureau level essential functions are categorized in four tiers based on the targeted duration of time and a service level within which a function must be restored after a disruption to avoid unacceptable consequences. Tier 1: 0-12 hours; Tier 2: 12-72 hours; Tier 3: 72 hours – 10 days; Tier 4: 10-30 days*

E. BUREAU DETAILS

- Development Services
 - BDS is accepting all permit types (Tier 1-7) at this point.
 - BDS publishes [Service Level Updates](#) every Monday.
 - For projects being submitted electronically using ProjectDox software, BDS is accepting two projects per day.
 - Payments for Residential and Commercial Permits can be made online via a private link that will be sent to customers by BDS staff.

- Environmental Services
 - Employees will be able to make requests for telework equipment needs (e.g. monitors, chairs, keyboards, mouse).
 - BES created a discussion board for other bureaus to share ideas and challenges they have had during the incident that will assist all bureaus in future incidents instead of having to create their own.
 - Working on citywide safety guidance for car sharing, face coverings and other safety protocols for field staff.
 - BES will receive an allocation of cloth face coverings from FEMA and the EPA designated for water and wastewater utilities in Oregon. The distribution is being coordinated through the Oregon Water/Wastewater Agency Response Network.
 - Beginning to collect “lessons learned” information including designing a framework to collect information and recommend actions down the line. An initial survey went out last week and a second survey went out to employees focusing on the support and resources they need during this time.
 - Created and distributed COVID-19 signage for field work sites to teams to put at work sites and on vehicles about following physical distancing protocols.

- Office of Community and Civic Life
 - Civic Life announced that the City of Portland is one of 12 local governments and nonprofits [selected to receive tailored research](#) to inform culturally sensitive emergency response measures that ensure all residents are included, regardless of immigration status.

- Community Technology
 - An “Action Tracker” and “Resource Document” for the Digital Inclusion Network (DIN) members [has been developed](#) to allow for sharing of activities and needs between members in order to provide updates on policies, programs, and services that have come online in response to the health crisis.

- OMF/BTS – Technology Services
 - BTS has completed work that will allow 4,800 concurrent City employee users on the City’s virtual remote network.
 - BTS Desktop Support has been suspended for non-essential services. Please contact BTS HelpDesk or submit BTS Portal-Cherwell request for desktop support.
 - BTS has prioritized delivery of core services including COVID related support and paused any non-essential projects. Other projects may experience delays based on the prioritization and BTS has level-set that with bureau expectations.

- OMF/Chief Administrative Officer/Asset Management/CityFleet

- CityFleet ordered more towels and face coverings from the ECC, which will be used for customer interaction and vendor deliveries.
- Main garage has limited access, informational signs are posted for customers. Strict access guidelines for outside vendor deliveries for parts has been implemented. Call 503-823-1806 for information.
- OMF/BTS—Printing and Distribution
 - Print shop is operating at a reduced capacity. Refer to the [P&D COVID-19 Plan](#) for questions and contact information.
 - Distribution has a reduced delivery schedule; US Mail is processed daily.
- Fire & Rescue
 - PF&R continues working to maintain mission critical life safety, property protection, and emergency medical services to the community while protecting the health of its workforce. PF&R continues to support other agencies by providing personnel as it is able.
 - PF&R is partnering with the Water Bureau to provide cooling stations for two existing temporary Outdoor Emergency shelters in preparation for hotter weather this summer.
 - The Street Roots Rose City Resource Guide is now on all fire apparatus iPads. People experiencing homelessness and poverty in Multnomah, Washington, and Clackamas counties.
 - PF&R continues to participate in weekly Multnomah County EMS meetings to develop and update operational protocols, provide PPE status updates, plan for system surge and modifications, and longer-term system solutions for PPE, capacity, and safety.
 - PF&R's [Meds on Wheels program](#) is operating.
 - PF&R is looking to partner with Mobile Permanent Supportive Housing (MPSH) and JOIN to further expand this service.
 - PF&R is working to finalize an operational guideline for dispensing no-cost life-saving medication under appropriate guidance from local Public Health in certain public health emergencies. PF&R is responsible for PF&R, PPB, PBEM (including ECC responders assigned to the ECC), and BOEC employees and their families under the [Cities' Readiness Initiative Push Partner program](#).
 - PF&R is now tracking suspected COVID-19 cases that crews respond to using the Fire Information System software platform. OHA has required agencies providing EMS to track any suspected cases.
 - The Fire Marshal's Office continues to accept permit applications during limited hours to public access. Essential Building inspections are continuing.
 - Continuing to accept donated items at the Gideon building.
- Parks & Recreation

- The Portland Saturday Market, which uses PP&R's Waterfront Park, has opened for the season. There have been no issues to report and attendance has been lower than expected, likely due to the mild weather.
- Lunch + Play started June 22 at 16 parks and 10 mobile sites, with Grab and Go meals and activities.
- PP&R began issuing permits for picnics and weddings over the June 19-21 weekend. New permit waiver language added to address COVID19 and use of outdoor spaces. That language was passed on to the Citywide Workplace Safety group for other bureaus to use if desired.
- Portland International Raceway (PIR) restricted opening plan was approved Tuesday, June 16th. The first event was held over the weekend of June 19 for the Gary Bockman Memorial Race with Cascade Sports Car Club. The PIR Restricted Opening Plan includes:
 - Spectators are not allowed. Participants and support personnel only.
 - PIR is requiring temperature checks at front gate, health check questions in advance and face coverings for all events.
 - All participants are pre-registered with name, address, phone and email for contact tracing and persons are checked at the front gate prior to admittance.
 - PIR's plan follows or exceeds ALL COVID-19 procedures as outlined by the CDC including sanitation protocols, signage and food service being compliant by our contracted food services provider.
- Shelter demobilization is complete at the East Portland Community Center. Meals on Wheels is still operating out of the site.
- PP&R reopened gated parks on June 5 in alignment with Multnomah County's application for Phase 1. Staff reported no issues and park users are enjoying their time in the parks.
- PP&R has partnered with the Portland Police Bureau, the Office of Youth Violence Prevention and faith-based and community organizations to enhance COVID-19 outreach on a rotating basis at Dawson, Holladay, Kenton, Columbia, Wilshire and Grant parks. Outreach includes public education about physical distancing, signage at high-touch locations and using the parks as distribution points for donated protective items, such as masks.
- PP&R continues to manage an internal data collection tool for COVID-19 compliance. Physical distancing and use of closed assets (e.g. playgrounds, basketball hoops, etc.) continue to be a concern. PP&R has opened its customer service center daily to collate concerns into an internal "Hot Spot" Track-It tool. Its Incident Command Team is analyzing the data daily and providing it to front-line resources:
 - Rangers – Ranger Supervisors continue to develop patrol tactics for 25 full-time employee (FTE) Rangers based on the "Hot Spot" data. Rangers continue to prioritize patrols and make contact at "Hot Spot" parks.
 - Maintenance Crews – Incident command is relaying information daily to field staff to address damaged or missing closure signage and barriers.

- Mt. Scott Community Center is closed to the public and has been transitioned to a shelter operated by Multnomah County.
- Charles Jordan Community Center is closed to the public and has been transitioned to a shelter operated by Multnomah County and Do-Good Multnomah. Meals on Wheels is operating at the center and distributing prepared meals.
- PP&R Urban Forestry 24/7 routine and emergency response operations are ongoing.
- Bureau of Transportation
 - PBOT is requiring [Private For – Hire drivers](#) and passengers to wear mask, face shields or face coverings as of June 24 due to Governor Brown’s release of [guidance on Mask, face shields and face coverings](#). Private For-Hire services include taxis, transportation network companies (companies like Uber or Lyft), limousines, party buses, executive sedans, town cars, tour vehicles, non-emergency medical transport, pedicabs, quadricycles, and horse-drawn carriages.
 - The Portland Bureau of Transportation (PBOT) is offering free public space to expand the square footage of businesses during COVID-19.
 - The [Healthy Businesses permit](#) allows businesses and organizations to temporarily take up portions of sidewalks, parking spaces, or streets in order to meet the requirements for physical distancing to limit the spread of COVID-19.
 - Staff from PBOT are available to directly support applicants through the design and permitting process for the [Healthy Businesses permit](#) as part of the bureau’s [Safe Streets Initiative](#) in response to the COVID-19 public health crisis.
 - Black, Indigenous, or People of Color (BIPOC)-owned businesses may also qualify for free professional design resources for their outdoor business space, free use of limited temporary street equipment, and free paint for decorative uses in your Healthy Businesses project.
 - Applicants are asked to contact (503) 823-4026 or PBOTBusinessToolkit@portlandoregon.gov for more information.
 - Staff from PBOT’s Safe Routes to School program are coordinating and delivering food in partnership with PP&R’s Schools Uniting Neighborhoods (SUN) site managers to schools within Portland Public Schools, and David Douglas and Centennial school districts.
 - PBOT continues regular youth engagement, education and career development activities virtually. This includes career presentations, summer and fall high school programming, Transportation Research and Education (TREC) presentations, fall focus groups, Transportation Ambassadors with a youth track, and Biketown planning for youth.
 - PBOT [reduced SmartPark rates](#) to bring relief to residents and visitors who must travel downtown by car. All-day parking rate in the city’s five SmartPark garages

is \$5, except the First and Jefferson SmartPark location which raised its all-day rate to \$10 on June 1.

- Portland Streetcar is now providing disposable mask to riders without face coverings.
- PBOT launched its [Slow Streets|Safe Streets Initiative](#) in early May. Some neighborhood greenways have restricted access and “local access only” signage. An [online interactive map](#) shows these locations. PBOT is also implementing a [Healthy Businesses](#) program to provide a streamlined permit application process for businesses that want to use space on public sidewalks or streets to provide additional space to allow for physical distancing for customers and staff.
- PBOT will provide two short-term funding opportunities of \$50,000 each to ensure the safety and travel needs of frontline populations are met and provide free rides for critical trips. PBOT’s Equity and Inclusion program identified this opportunity by [engaging in key partnerships](#) to learn how to best support community groups on specific transportation issues during the pandemic.
- Portland Streetcar service reduced to every 20 minutes on weekdays. OHSU Aerial Tram limited to hospital employees and patients.

- Police Bureau

- PPB is working with the Sunshine Division to deliver food boxes to community members’ homes since the pandemic began. PPB and Sunshine Division have also provided about 900 food boxes weekly through pick-up at the two Sunshine Division locations and delivered 500 food boxes to partner agencies each week.
- PPB submitted a letter to Multnomah County affirming that they have adequate personal protective equipment (PPE) as required in accordance with the reentry requirements.
- PPB’s one Tier 1 and sixteen Tier 2 & Tier 3 essential functions are impacted.
- PPB has not experienced absenteeism that would trigger the next step of its Staffing Contingency Plan.

- Water Bureau

- The Portland Water Bureau and Bureau of Environmental Services pledged \$1 million as part of [Small Business Program for Utility Relief](#) (SPUR) fund. Small businesses that have lost income due to the pandemic can apply for a one-time bill credit during a two-week period beginning July 8. All applications will be evaluated using a racial equity and vulnerability lens.
- City Council approved the Water and Environmental Services’ Small Business Program for Utility Relief. Media engagement/public outreach is getting underway. Plan to distribute a mailer to a group of our small biz customers within the next two weeks. For program FAQ and eligibility requirements go to portlandoregon.gov/water/smallbiz.
- Continuing to promote Customer Service Financial Assistance Programs.

- The Portland Water Bureau Emergency Operations Center is in Enhanced Operations as of June 15.
- PWB continues to promote ECC staffing through various methods, including all staff emails and messaging from the director.
- All Customer Service Call Center staff who can telecommute are now doing so.
- On June 2, PWB Customer Service Call Center group temporarily relocated from downtown to a secure location until protest activity around Portland Building is reduced. Half of Customer Service Call Center employees are working remotely. Additional staff are preparing to telework. Recently ordered laptops are being configured and readied by BTS.
- PWB/BES Customer Service Call Center offers 24-hour automated service and is open regular hours 8 a.m. to 5 p.m. Monday through Friday at 503-823-7770. Press “1” for 24-hour automated service. Customers may also email PWBCustomerService@portlandoregon.gov. Call 503-823-4874 for water emergencies. The walk-in center at 664 N Tillamook is closed, however customers can use the drop box to pay by check or money order.
- PWB encourages staff to continue physical distancing efforts and reminded staff that in the past week there have been higher numbers of COVID-19 cases statewide. PWB continues to encourage employees to observe safety measures including:
 - Providing ongoing safety reminders to combat complacency.
 - Eye protection, gloves and face coverings are required for work sites and where physical distancing cannot be maintained.
 - Rented additional work trucks and equipment to allow individual work group members to maintain physical distance.
 - All crew members continue to practice six feet of physical distancing, where possible.
 - Set up a self-check station in the Operating Engineers area.
- New rules for ordering parts and supplies from Stores are being followed by Maintenance & Construction, to allow for contactless fulfillment and pick up.
- The Water Bureau issued a press release on Legionella, directing businesses to flush their buildings during the pandemic and a resource website www.portlandoregon.gov/water/wqbuilding.
- The Water Bureau sent letters to City bureau property owners and the Portland business community, making them aware of the need to maintain building water quality to avoid issues with Legionella. Ongoing communications and messaging on Legionella will continue.
- All PWB Essential Functions continue to be performed with physical distancing. Buildings where staff work on key functions continue to be off limits to unnecessary foot traffic and visits to protect them from contamination.
- PWB has a COVID-19 resource webpage for employees.
- Portland Water Bureau assisted in delivering an allocation of face coverings for water and wastewater utilities in Oregon. The face covering allocation was provided by FEMA and the EPA coordinated through the Oregon

OHSU continues to grow in tests administered and has already administered more COVID-19 tests in June than in any prior month. The new contract allows for other operations to happen at the Portland Expo Center simultaneously.
- Parks and Nature grant awards will continue as scheduled as they are funded through the parks and natural area levy. Metro Council will award grants in late spring/early summer.

Multnomah County

- **[NEW] On July 2, Multnomah County extended the County emergency declaration to September 30.**
- **[NEW] As of June 30, Multnomah County has 81 people doing contact tracing work. Of these, 31 have specific language and cultural skills:**
 - **14 are bilingual in Spanish and English**
 - **2 are bilingual in Vietnamese and English**
 - **6 have Latinx culturally specific skills**
 - **6 have African American culturally specific skills**
 - **3 have LGBTQ culturally specific skills**

The County is still working on filling positions for case investigators and contact tracers who are bilingual Russian/English, and those who have Pacific Islander and Native culturally specific skills. Ultimately, the County's workforce of contact tracers will expand to 122 or more people.

- **[NEW]** In addition to its team of contact tracers, Multnomah County is building a system of Community Health Workers (CHWs) who will provide additional culturally- and linguistically-specific support to community members who have a positive COVID-19 test result or who are in close contact with someone who has had a positive test. The County is in the process of contracting with 16 culturally specific organizations to provide CHW services, such as culturally centered education about COVID-19 symptoms monitoring and prevention, informal counseling and emotional support to cope with social isolation, and support for accessing and coordinating healthcare. These services are designed to support members of the Black/African American, African immigrant & refugee, Asian, Latinx, Indigenous/Native American, Slavic, Middle Eastern, Pacific Islander, and LGBTQ communities, as well as to low-income people with special needs (e.g. domestic violence), and other communities of color as needed. The first group of CHWs have already begun working, supporting the Latinx community.
