## Improved Corrosion Control Treatment

### Noise and traffic impacts expected Nov. 25-27, 2019

Workers will be drilling in the area. This work is occurring in the Portland Water Bureau's easements and the public right-of-way.

Engineers are working to minimize inconveniences by conducting work during limited business hours and using flaggers to direct traffic.

- Drilling will begin Nov. 25.
- Expect noise during work hours.
- Flaggers will help direct traffic where work is occurring in the public right-of-way.
