

# Bull Run Filtration

## Bull Run Filtration Site Advisory Group

The Site Advisory Group will meet monthly from October 2019 to October 2020 to discuss details and opportunities for the Bull Run Filtration Project. The group will help project staff develop a Good Neighbor Agreement as the Bull Run Filtration Project moves forward.

### Site Advisory Group Meetings

Site Advisory Group members will be discussing roles and expectations at two upcoming meetings:

**Orientation Part 1** • Thursday, October 3 • 6-8 p.m.

**Orientation Part 2** • Thursday, October 10 • 6-8 p.m.

Meetings will be held at Sandy High School Lecture Hall at 37400 Bell Street in Sandy, Oregon.

The public is welcome to attend these family friendly events. Dinner provided. Meetings will include opportunity for public comment.

Please RSVP at [portlandoregon.gov/water/BullRunNeighbor](http://portlandoregon.gov/water/BullRunNeighbor)

## How can you stay up to date?

Site Advisory Group meeting times and materials will be posted to the Bull Run Filtration Project Neighbor Information webpage and regular updates will be shared in the project e-newsletter.

# Involving Neighbors

A Bull Run Filtration Site Advisory Group will help develop a Good Neighbor Agreement by providing an independent community perspective on the facility design, construction, and ongoing operation.

- **Goal:** Foster open communication by identifying and resolving community concerns early in the project.
- **Outcome:** Document our commitments in a Good Neighbor Agreement.
- **Site Advisory Group members:** Adjacent property owners, farm operators, local school representatives, area water utilities, environmental interests, and others.
- **Meetings:** Monthly and open to the public.

# What is a Good Neighbor Agreement?

An agreement reflecting the Portland Water Bureau's commitments to filtration facility neighbors that addresses concerns while achieving a successful project.
