Dielectric Isolation Flange Joint Detail

Dielectric Isolation Joint Assembly

Notes:
1. Center flexible coupling over insulating boots.
2. Exothermic weld to coupling prior to assembly. Do not burn boots.
3. Bond the coupling to a protected side of the joint where specified.

Dielectric Isolation Flexible Sleeve Coupling

The selection and use of this Standard Drawing, while designed in accordance with generally accepted engineering principles and practices, is the sole responsibility of the user.
