## Fee Waiver Eligibility

Fee waivers are available for the following types of activities and whose use does not exclude "in season" athletic league play or PP&R recreation or educational programming. The following permits are eligible for 100% reduction of usage fees.

- News production, cable access, public service announcements.
- Documentary/advertising/marketing for the promotion of Portland Parks & Recreation, City of Portland, Metro Area or the State of Oregon.
- Student film for class projects or non-commercial student productions.

Fee waivers do not waive extra fees such as vehicle access, electricity, application/processing fees, etc. Fee waivers are also available to groups who will have 10 or fewer people within the park and whose use does not exclude "in season" athletic league play or PP&R recreation or educational programming

## Changes

All permits issued from the Customer Service Center (CSC) are allowed one change in date or location. Any further changes may incur an additional application/processing fee.

## Rain Dates

All film, video, and still shoot permits issued from the CSC are allowed one rain date per date booked at no charge at time of booking.

## Multiple Days

Any large film shoot (multiple days in one park or multiple parks over several days) pays the larger application fee of \$234.

## Availability and Lead Time

The Customer Service Center will make every effort to find an alternative location when the desired location is not available. Please be advised that this is made more difficult the shorter the lead time. The CSC cannot guarantee that a previously booked location can be made available.
