

2040 Portland Freight Plan Community Advisory Committee Meeting #6 Agenda GHG Reduction Best Practices

Thursday, October 14, 2021 4-6PM

1. Welcome! 😊

2. Public comment

This time on the agenda is for public attendees to get the opportunity to say anything they'd like that might be relevant, for up to one minute, depending on how many attendees would like to speak (at the facilitator's discretion). If you showed up with something particular to share with the planning team or committee, this is a moment on the agenda to make sure you get that chance to share first thing.

3. Project Updates

4. Presentation: Greenhouse gas reduction best practices

5. Discussion:

We will request feedback from every member of the CAC. Time will be limited for up to two minutes, depending on how many attendees would like to speak (at the facilitator's discretion). We will also provide a jamboard link where you can provide additional feedback.

a. Structured go-around:

- i. *Which of these strategies should be considered as we move forward?*
- ii. *What other strategies should be considered?*
- iii. *Are there any obstacles to implementation of these strategies in the City of Portland?*
 - iii.a *Is there a way to overcome these obstacles?*

b. Jamboard link:
