

Mill Park – Community Gathering #1 – August 2021

The first Community Gathering for the development of Mill Park was held on Tuesday, August 3, 2021 at the covered basketball court area at Mill Park Elementary School. Design boards shared information about the master plan and existing conditions. The boards also had interactive elements to gather further information from the community about their priorities for the new park, and a paper/online survey was also available. The online survey and boards were posted on the project webpage for two weeks following the event.

Information was printed on the boards in English, Spanish, Vietnamese, and Arabic. Community outreach staff from the Division Midway Alliance provided interpretation in Arabic, Burmese, Nepali, Somali, Spanish, and Vietnamese.

Outreach for the community gathering was done via emails to the project list, posts on social media, posts on the project webpage, signs in the park, flyers to nearby neighbors, an automated phone call to Mill Park families, and direct outreach done by the community liaisons with Division Midway Alliance.

A total of 66 comments were received through the survey, and the community gathering was attended by over 90 community members.

It should be noted that this report reflects the opinions of those who chose to participate. It is not necessarily representative of the broader community. This information, in addition to information provided by Parks staff, will be used to inform the design process for Mill Park. All input will be shared with the design team and Project Advisory Committee.

9. Thank you for participating in the design of your park. Your comments and experiences have helped shaped the design. Is there anything else you would like us to know?

(23 comments were received – below are summaries of comments by themes)

Amenities:

- Add a decent amount of lighting. It gets pitch black at night which creates questionable activity.
- The baseball diamond is rarely used.
- No more soccer fields, need maintained baseball/softball fields, splash pads, cool playgrounds for kids, dog parks.
- Irrigation system needed – park is very dry / unattractive in summer.
- Food trucks close to the gathering areas, benches under the shade (Vietnamese community)

Art:

- Mural wall for the community to enjoy / repaint.
- A mural could be put on the back wall of the school.

General:

- Diversity!
- Keep it simple!
- When will the meetings and talking stop and something actually gets done?
- Thank you for doing this for the community! (5)
- Excited to see new park (1)

Nature / trees / passive spaces:

- Need for shady areas with climate change.
- I would like to speak for some of the trees, as trees are what makes a park. When removing trees, please keep in mind that trees such as oak trees rooted within the grasp of the park can be valuable sources of shade for visitors like you and I. Furthermore, the park itself should not move towards modernization but more of an area that births nature.

Safety/Vandalism/Maintenance

- Concerned about splash pad staying clean and safe.
- Prior picnic table was a problem – area of aggressive behavior and vandalism.
- Graffiti is really bad on fences – would be happy to help repaint or remove if surfaces were prepped for easy removal.
- Hopes that community garden will create sense of ownership and reduce vandalism/litter. With current uses, would not want to garden with concern produce would be stolen or unsanitary.
- Please dedicate more workers to Mill Park and provide maintenance now, during, and after new design is complete.

COMMENTS ON BOARDS AT COMMUNITY GATHERING

Photos of the boards are attached at the end of this report. Below is a summary of what was shared.

I WILL FEEL WELCOME AT MILL PARK IF....

Answers included:

- It feels safe, has more lights, and more park rangers.
- It is clean, free of trash and has garbage cans.
- People are having fun, and I see my friends.
- People are friendly and respectful of each other.
- There is diversity, different ages and backgrounds using the park.
- There are community activities for me and my family to do together.
- There is a separate area for dogs for people who can't touch dogs or don't like them.
- There are many amenities to accommodate, ADA accessible features.
- Intentional community design – amphitheater?
- There are amenities like shaded seating, water fountains, sports fields, place to picnic, clean restrooms, and trees.
- There is a welcoming, clear entrance and eyes on the park.

WHEN I GO TO MILL PARK, I WANT TO...

Answers included:

- Use a grass field to play sports like volleyball, handball, kickball, soccer, and baseball.
- Keep valuable trees
- Use restrooms, water fountain.
- Find many areas to relax, picnic, and shady seating areas.
- Be in the presence of nature, find an oasis to eat lunch
- Have a place for kids to play (especially younger kids), splash pad, sit on swings, walk my dog, walking path fenced dog area, community garden, and picnic.
- Participate in community events like concerts, movies, etc.
- Have more safety features like lights at entrances, motion sensors
- Space to exercise
- Have a cultural/community center

- See a vending space for small produce farmers to have a market
- Elevation – vantage point

WHAT NEARBY PARKS AND SCHOOLS DO YOU VISIT?

- Lincoln Park:
 - Walk, jog
 - Lots of shade is nice – need at Mill
- Midland Park:
 - Was fenced off during COVID/ice storm
- Mill Park:
 - Picnic with friends and family
 - Need water play, performance space, BBQ area
- Swimming is missing nearby
- Community Center – use for fitness, basketball, and pool
- Some parks don't have restrooms or water fountains.
- Need fitness areas, seating areas, more trash/recycling
- Splash pad – there's a lot of sun so this would be good
- Demonstration garden with signage on pollinator gardens and habitat, in addition to native plants and community garden
- Would like to see picnic facilities, sport area, picnic area, BBQ station/food carts, shady area of trees
- Important to keep access to Mill Park school basketball as it is only one in area
- Small pond with water feature – nice to see
- Volleyball, Chin-lone, frisbee golf, flower garden, fish pond, off-leash dog area, need parking
- Need climbing elements
- Natural sloping area for watching sports and activities
- Mile markers on the looped path
- Run at Floyd Light, play basketball at Mill, excited to see native plants at Mill

QUESTIONS/COMMENTS:

- Where will bike parking be?
- Will there be parking lot / free parking?
- Street parking fills up many nights
- Updated entrance – big bonus
- Food – ice cream truck!
- Liked/desired:
 - Basketball
 - Open field – for volleyball/soccer
 - Entertainment spot (open area), BBQ, picnic tables
 - Fish water fountain that you can make wishes at
 - Place for community + fundraising
 - Keep as much canopy as possible
 - Peaceful

- Soccer fields + basketball
- Climbing play equipment and splash pad
- Destination park – biggest green space around
- Park safety important – how will safety happen?
- Nice soft green grass
- No trash or household rubbish at park entrance
- Splash pad, garden – only useful in summer
- Chin lone – yes!! (10 people said yes)
- Drinking fountains
- Parking
- Vending space – maybe a space where community gardeners could sell produce
- Picnic tables, garbage, recycling bins
- Restrooms
- Everything accessible
- Flowers beds – public beds with PP&R-provided flowers
- Splash pad – good for cooling all ages
- Space for food trucks (permit req'd?) at gathering areas
- Concern over houseless on SE 122nd parcel
- Likes splash pad near community garden
- Like subtle bowl-shaped lawn for summer movies
- Open sightlines
- Clear boundaries between school and park site
- Concern about splash pad and water use in droughts.
