Pop-Up Arboreta Scavenger Hunt

The Pop-Up Arboreta Program showcases the treasured trees of neighborhood parks in a month-long installation of interactive and informative signs.

Volunteer educators helped create these scavenger hunts to celebrate this effort and all of the unique ways we can connect with nature in our urban forests.

🌱 🌳 🌲 Dedicated Dendrologists 🌲 🌳 🌱

This activity is designed to be enjoyed by learners looking for a challenge.

Selfie Time!	Native Knowledge:	Writing with Wood
Find a tree that speaks to you today and share why on social media using: #PDXPopUpArboretum	According to the Oregon Department of Forestry, how many species of trees are native to our state?	What type of tree are pencils often made from? ✏️ ✏️ ✏️
Sensory Sit Spot: Find a spot under a tree, grounding yourself into each of your senses by focusing on just one for 60 seconds. Which sense becomes clearest?	**Whodunnit?** Do you know who or what is the greatest threat to the trees of our urban forest? 🐛 💧 🪲 🐞 🍄 ☀️	**Pop Up Pop Quiz!** If a birdhouse is hung on a branch, does it move higher as the tree grows? 🐤 🏡
Create a poem about a Pop-Up tree in this park. Describe its colors, sounds, seasonal changes, or wildlife. **Challenge yourself!**	**Portland Timbers:** What is the tallest tree in Portland's city limits? 🌲 🌲 🌲	**Nature Mobile!** Find four or five leaves in the park that you find the most beautiful. String them up and hang them at home to make a mobile!

💥 🏅 **Claim your prize online!** 🏅 💥

Submit a photo of your activity by 9/30/21 at tinyurl.com/pdxarboreta and we'll mail you your prize!
