For the purposes of this agreement, officers assigned to C&S shall be referred to as assigned to the Clean & Safe Program.
- c. ASSIGNMENTS.
 - i. Deployment. The Parties recognize that Clean & Safe and PPB have legitimate interests in the management and deployment of police officers assigned to Clean & Safe. It is not the intent of this agreement to supplant normally assigned PPB Officers with contracted officers to patrol the Clean & Safe District.
 - ii. Daily Operation. Supervision of the PPB Officers assigned to the Clean & Safe Program will be provided by a PPB Sergeant designated by the Commander of Central Precinct. The Clean & Safe Director may provide input and identify concerns to the PPB Officers assigned to the overall Clean & Safe Program through periodic communications or meetings. Other details regarding the exact number of officers and daily operations will be agreed to annually and are set forth in Exhibit A, which is incorporated by this reference.

The Clean & Safe contract officers will not supplant PPB Officers normally assigned to this area.

d. REIMBURSEMENT OF COSTS.

- i. Costs. The City shall bill Clean & Safe for the partial costs of up to four PPB Officers, which is to include 80% of the total of salaries and premiums, overtime, health benefits, payroll taxes, and retirement costs calculated using the sworn OPSRP rate. If this occurs PPB will notify Clean & Safe of the reason and estimated time of the re-assignment and discount Clean & Safe's monthly invoice (as described in Section 2.d of this Agreement) pro-rated by the number of officers and number of days re-assigned. This Section does not pertain to PPB Officers assigned to the Clean & Safe Program using sick time (unless to the degree described in Section 2.h), vacation time, or required training time.
