## Bike Network Needs

Street	Extent	Issue/Need
Tolman Neighborhood Greenway (east)	SE 52nd Avenue - SE 92nd Avenue	Opportunity for neighborhood greenway between Woodstock Boulevard and Duke Street. Crossing of 82nd Avenue already funded.
62nd Avenue Neighborhood Greenway	SE Mitchell Street - SE Harney Street	Long north-south connection, serves Brentwood City Park, Lane School, and other destinations.
46th Avenue Neighborhood Greenway	SE Gladstone Street - Woodstock Boulevard	Extends bikeway south of Woodstock to the north
Knapp Neighborhood Greenway	SE 32nd Avenue - SE 52nd Avenue	Extends the funded Knapp/Ogden NG further west to 32nd Ave or beyond. Would need to include a high-quality crossing of 52nd Ave, at the top of a hill with limited visibility
Reedway Neighborhood Greenway	SE 52nd Avenue - SE 72nd Avenue	Connects 52nd Avenue to Mt. Scott Park
64th Avenue Neighborhood Greenway	SE Foster Road - SE Mitchell Street	Provides access to Foster business district. There is a half-signal at 64th & Foster.
Steele/Mitchell Neighborhood Greenway	SE 52nd Avenue - SE 77th Avenue	Neighborhood greenway to extend from potential Steele St bike lanes and provide access to Mercado and multiple other greenways.
Lambert Neighborhood Greenway	SE 75th Place to Springwater Corridor Trail	Connects to 70s Springwater Connector, and provides crossing of SE 82nd Avenue
89th Avenue Neighborhood Greenway	Springwater Corridor Trail to deadend	Extends funded connection across Johnson Creek to the south.
41st/42nd Avenue Neighborhood Greenway	Woodstock Boulevard - Crystal Springs	Would extend bikeway that currently exists north of Woodstock. Requires some street paving.
Crystal Springs Neighborhood Greenway	SE 89th to I-205 Multi-Use Path	Extends funded connection across Johnson Creek to the I-205 Multi-Use Path.
Harney Neighborhood Greenway (west)	SE 62nd Avenue to Springwater Corridor Trail	East-west connection at the southern end of Brentwood Darlington. Connects to Springwater Corridor Trail, 60s Neighborhood Greenway, and other future bikeways.
Harney Neighborhood Greenway (east)	SE 82nd Avenue - SE 89th Avenue	Would connect to destinations along 82nd Ave. A crossing would be very challenging at Harney due to the bridge.
Raymond Neighborhood Greenway	SE 33rd Place - SE 58th Place	Option for a parallel neighborhood greenway to Steele, either instead of extending bike lanes on Steele from 33rd to 52nd, or in addition to it.
Duke Neighborhood Greenway	SE 82nd Avenue - SE 92nd Avenue	Neighborhood greenway would extend Duke St bike lanes east to 92nd and connect them to the rest of the bike network.
Nehalem Neighborhood Greenway	SE Flavel Drive - SE 62nd Avenue	Provides a connection to Hazeltine Park and connects neighborhood greenways to each other via a paved street.
Ramona Neighborhood Greenway	SE 41st Avenue - SE 52nd Avenue	Neighborhood greenway to serve as parallel bikeway to Woodstock Main Street. Requires some street paving.
50s Neighborhood Greenway	SE Center Street - SE Nehalem Street	Would provide a long parallel neighborhood greenway to 52nd Ave. Requires street paving south of Ogden.
Tolman Neighborhood Greenway (west)	SE 32nd Avenue - SE 52nd Avenue	Neighborhood greenway parallel to Woodstock Main Street to the south. Requires many blocks of street paving.
Woodstock Boulevard Bikeway (east)	SE 52nd Avenue - SE 92nd Avenue	Enhance existing bikeway. Narrow door-zone bike lanes that drop from 69th to 72nd. Filling gap and widening bike lanes would require at least one side of parking removal.
Woodstock Boulevard Bikeway (west)	SE 32nd Avenue - SE 41st Avenue	Narrow bike lane climbing east, long gap in bike lane downhill going west. Widening bike lanes would require parking removal.
52nd Avenue Bikeway	SE Foster Road - SE Harney Drive	Enhance existing bikeway. Widening bike lanes requires removal of at least one side of on-street parking.
Flavel Street Bikeway	SE 52nd Avenue - SE 92nd Avenue	Enhance existing bikeway. Widening bike lanes would require removal of parking on at least one side.
45th/46th Avenue Bikeway	SE Woodstock Boulevard - SE Harney Drive	Further improve bikeway and do permanent upgrades. Was recently improved as a quick-build leveraging a repaving project.
Duke Street Bikeway	SE 52nd Avenue - SE 82nd Avenue	Enhance existing bikeway. Widening bike lanes would require parking removal on at least one side.
92nd Avenue Bikeway	SE Woodstock Boulevard - SE Flavel Street	Enhance existing bikeway. Widening bike lanes would require parking removal on at least one side.
41st/42nd Avenue Bikeway	SE Gladstone Street - SE Woodstock Boulevard	Enhance existing bike lanes. Would need to remove all parking to widen bike lanes.
Harney Drive Bikeway	SE 45th Avenue - SE 52nd Avenue	Enhance existing bike lanes. Would need to remove all parking to widen bike lanes.
