

FROM EXCESS TO ACCESS

CONSTRUCTION MATERIAL DONATIONS FOR SAFER HOMES

Your leftover new and reclaimed lumber, fixtures, appliances, doors, windows, and more can help homeowners with low incomes repair their homes!

HOW THE PROGRAM WORKS

- Contractors, homeowners and others performing deconstruction, remodeling or construction projects can donate new or reusable building materials to ReBuilding Center.
- ReBuilding Center will provide FREE materials to qualified low-income Portland property owners who have long term property compliance cases, to help them stay in their homes.
