

PORTLAND COMMITTEE ON COMMUNITY-ENGAGED POLICING NEW YOUTH MEMBERSHIP APPLICATION

Introductory information is on pages 1-4. Application begins on page 5.

The Position

The Portland Committee for Community-Engaged Policing (PCCEP) is comprised of 13 community members who volunteer their time to advise the Portland Police Bureau and the Mayor (as the Commissioner-in-charge of the Portland Police Bureau), to independently assess the City of Portland's Settlement Agreement with the U.S. Department of Justice (DOJ), and to develop policies and assess PPB community engagement efforts. The Settlement Agreement calls for reform to PPB policies and training, particularly related to use of force and interactions with people who have or are perceived to have a mental health condition.

- Provide recommendations in key areas of concern (including but not limited to those listed above) to the Mayor, PPB, the Office of Equity and Human Rights and the DOJ based on information gathered from Portland's diverse communities.
- Review and make recommendations on PPB policies touching the DOJ Settlement Agreement and/or key areas of concern.
- Provide ongoing feedback to PPB regarding community engagement initiatives already in progress and those needed in the future.
- During the effective period of the Settlement Agreement, appear before the Court at the annual status conference and provide an assessment of the City's progress toward achieving the goals of the Settlement Agreement.

If you want to serve your community and to help government make better choices, then we want to see your application. *The attributes listed below are what will guide our selection process. It is helpful if you are specific in your answers. **We do not expect you to be or have everything listed.***

- You are open-minded and willing to consider other opinions, and function well in a group
- You demonstrate an ability to be impartial and objective
- You possess good communication and listening skills
- You can meet the time commitment listed below
- You are able to listen openly to community concerns at meetings open to the public
- You can connect to communities who have been historically marginalized and have lived experience with behavioral health or as a person of color

- PCCEP meets once per month for two hours (currently the third Wednesday of each month from 6-8 PM).
- PCCEP members usually also serve on 1-2 sub-committees, who will resume meeting in August 2022 and meet once per month for two hours.
- As a result, the full time commitment is usually 2-3 evening meetings per month, which are open to the public.
- Prior to being seated on the PCCEP, be required to:
 - Learn about the history of the City of Portland's Settlement Agreement with the DOJ;
 - Attend PPB community academy; and
 - Participate in subject matter and board trainings.
- Provide information to and solicit feedback from Portland's diverse communities through community events such as roundtables and town halls, to be held at least quarterly and open to the public.

We Remove Barriers

Let us know if there are barriers to your participation. Public transportation or parking passes for potential in-person meetings will be available if you need those to fully participate.

Volunteer Ethics

People who join this committee will become what we call "Public Officials," which means that while you serve you must behave fair and ethically. We will provide

training on this once you are accepted. Part of following Public Officials Ethics laws means you must tell the group when you or a relative may financially benefit (or avoid fees) by your recommendations. This is called a “Conflict of Interest.” If you tell us about potential Conflicts of Interest that does not mean you cannot serve, in fact, many committees have potential members with Conflicts of Interest. We appreciate your ethical inclusion of possible Conflicts of Interest on the form included in the application.

The Recruitment Process

Applications are accepted on a rolling basis. PCCEP is filling at least 5 positions from June-August 2022, and after that will be recruiting more slowly.

To talk with someone about this opportunity or to receive assistance completing the application, please contact the advisory body staff at PCCEPinfo@portlandoregon.gov.

COVID – 19 Vaccine Requirement:

The work location for this opportunity is hybrid (remote and onsite).

Workplaces across Portland, the United States and the world are making tough decisions about how to protect their employees and community from COVID-19. We, too, find ourselves in the middle of this complex situation at the City of Portland. We are committed to ensuring the health and safety for our employees and our community. As a part of this commitment, all City employees are required to be fully vaccinated, effective October 18, 2021. Proof of full vaccination, or documentation of plans to become fully vaccinated (e.g., partially vaccinated however too soon for second dose, etc.) will be required prior to being hired by the City of Portland. The required vaccination is a minimum qualification requirement to be hired by the City of Portland. We understand that some are unable to be vaccinated for a variety of reasons, including medical and religious/spiritual reasons. Should you be offered employment with the City of Portland, there is an exception process that provides for an exception and

reasonable accommodation based on a qualified medical condition or religious/spiritual reason. [Exception Request Process for COVID-19 vaccine](#) (**Exceptions only apply to candidate(s) offered a position; please do not submit at this time**).

Work Location:

Currently, many positions with the City of Portland are being performed remotely due to COVID-19. In the future, current positions classified as “full-time remote” could: 1) remain full-time remote, 2) become a remote/onsite mix, 3) revert to full-time at a city work location. As the situation evolves, the exact work location of the position in this recruitment may change based upon leadership direction and approval.

How will PCCEP members be selected?

- Applicants will be screened by staff support for PCCEP from the City of Portland’s Community Safety Division using the PCCEP Selection Criteria, which was developed and is updated by a panel consisting of community members, PCCEP members, staff support, and representatives from the Albina Ministerial Alliance Coalition and the Mental Health Alliance as available.
 - Eligible candidates will be forwarded to the Mayor’s office, who will make the decision on who to appoint.
 - Appointments are made in reports from the Mayor to the City Council, who confirms the report during a City Council meeting, at which point new members may officially begin their service.
