33.669.010 Purpose

This chapter provides a process and criteria to evaluate proposed changes to an Industrial Park initially approved under regulations that are no longer in effect. The approval criterion ensures that the Industrial Park continues to be in conformance with the purpose of the regulations in place when the Industrial Park was approved, and the conditions of approval.

33.669.100 Review Procedure

Requests for changes to an approved Industrial Park will be processed through a Type II procedure.

33.669.200 Approval Criterion

Requests for changes to an approved Industrial Park will be approved if the review body finds that the applicant has shown that the requirements in place at the time the Industrial Park was approved continue to be met and that the intent of all conditions of approval continue to be met.
