3.4.1 Amendment. Any changes to the provisions of this Contract shall be in the form of an Amendment. No provision of this Contract may be amended unless such Amendment is approved as to form by the City Attorney and executed in writing by authorized representatives of the Parties. If the requirements for Amendment of this Contract as described in this section are not satisfied in full, then such Amendments automatically will be deemed null, void, invalid, non-binding, and of no legal force or effect. The City reserves the right to make administrative changes to the Contract unilaterally, such as extending option years and increasing compensation. An

administrative change means a written Contract change that does not affect the substantive rights of the Parties.

If such changes materially increase or decrease Contractor's obligations, the Parties shall execute an Amendment to the Contract, and if the amount of such adjustment is not calculable as a function of hours or tasks, the Parties shall negotiate in good faith a modified amount.

3.5 Delivery.

3.5.1 Delivery Schedule. Contractor shall use best efforts to deliver Product(s) and/or Services(s) on time, in accordance with the scheduled delivery date as set forth in this Contract, Statement of Work or Change Order.

By executing this Contract and accepting the Statement of Work, Contractor agrees that the time limits specified in the Statement of Work are reasonable. By accepting late or otherwise inadequate performance of Contractor's obligations, the City will not waive its rights to require timely performance of Contractor's obligations thereafter.

3.5.3 Late Delivery. In the event that any specified delivery date is not met, Contractor shall be liable for any loss, expense, or damage resulting from delay in delivery or failure to deliver Goods or provide Services which is due to any cause except as set forth in Force Majeure. In the event of delay due to any such cause, the City may obtain substitute Goods or Services from another source and bill all additional costs directly to Contractor who shall remain financially liable for all additional acquisition costs.

3.5.4 Best Efforts. Contractor shall use best efforts to minimize any delay in the provision of Goods, Deliverables or performance of Services. If Contractor anticipates any delay that may prevent timely performance of Contractor's obligations under this Contract, Contractor shall promptly notify the City, including the anticipated length of the delay, the cause of the delay, measures proposed or taken to prevent or minimize the delay, and the timetable for implementation of such measures.

3.6 City Reporting Requirements. The City is required to track certain types of contract data for reporting purposes. 3.7 License Fee Payment. Payment(s) shall be in accordance with the payment schedule set forth in this Contract.

3.7.1 The City will pay to Central Eastside Together all net License Fee revenues as outlined in Exhibit E, provided that the City first has approved the annual Statement of Work and Budget for services under Exhibits B and C of this Contract. The City will make payment to Central Eastside Together of such net License Fee revenues following the close of each City accounting period (of which there are 12 during the City fiscal year) as soon as the amount thereof received during the accounting period has been determined. The City may make advance payments during any accounting period if the City's Manager of the Revenue Division determines that sufficient funds have been received to make advance payments.

3.7.2 Notwithstanding 3.5.1, the City may retain a continuing balance of \$10,000 for payments or refunds due to District License Fee payers following appeals under Portland City Code section 6.06.100, to be paid Central Eastside Together during the last license year covered by this Contract. As used in this Contract, "net License Fee revenues" means all License Fees, penalties (excludes civil penalties), and interest, and any interest earned thereon, less the Revenue Division's costs of administration and other Fund 204 charges under section Exhibit E of this Contract and less the continuing balance retained for payments or refunds due to District License Fee payers as provided in this section.

3.7.3 Challenges to Central Eastside Industrial District Property Management License Fee. The parties acknowledge that there may be uncertainties regarding the District License Fee due to potential challenges to it under certain provisions of law, and that it is necessary to minimize any financial risk to the City from such challenges. To minimize this risk, in the event of a challenge asserting that the License Fee is invalid or otherwise unenforceable or subject to limitation, then the following provisions apply

3.7.3.1 The City may suspend its payments to Central Eastside Together hereunder pending negotiation of amendments hereto that will assure the City's financial risk is minimized and, if the outcome of the challenge is unfavorable, the City may apply any net License Fee revenues held by the City to such repayments to License Fee payers as are appropriate.

3.7.3.2 Central Eastside Together will defend the City and the City's officers, agents, and employees against any challenge alleging that the License Fee is invalid or otherwise unenforceable or subject to limitation (including the payment of all attorney fees and costs), and will hold harmless and indemnify the City and the City's officers, agents, and employees from any monetary claims, damages refund obligations, or other payments they must make arising out of such a

challenge. Central Eastside Together will consult and cooperate with the City in conducting a defense of the License Fee, and the City will cooperate in its conduct of the defense. Notwithstanding any other provision of this Agreement, Central Eastside Together may use any net License Fee revenues Central Eastside Together receives in this Agreement to satisfy the hold harmless, defense, and indemnification obligations established by this section or by section 6.1 (Hold Harmless and Indemnification) before using the Funds to provide Services.

3.7.3.3 The City may require that Central Eastside Together provide a letter of credit or similar instrument, or a guaranty, protecting the City against financial exposure due to the invalidity of, unenforceability of, or limitation on the License Fee, if the City determines that such a letter of credit or similar instrument is necessary or desirable to protect the City from risk of financial exposure.

3.7.4 The City makes payments via electronic fund transfers through the Automated Clearing House (ACH) network. To initiate payment of invoices, Contractor shall execute the City's standard ACH Vendor Payment Authorization Agreement. Upon verification of the data provided, the ACH Vendor Payment Authorization Agreement will authorize the City to deposit payment directly into specified Contractor accounts with specified financial institutions. All payments shall be made in United States currency.

3.8 BES Funds Payment. Payment(s) of BES Funds shall be in accordance with the payment schedule set forth in Exhibit F.

3.8.1 Payment shall be issued by the City net thirty (30) Calendar Days from receipt of a complete and acceptable invoice from Contractor. Contractor invoices must contain Contractor's name and address; invoice number; date of invoice; Contract number and date; description of Products and/or Services; quantity, unit price (where appropriate), and total amount; City-required reporting, if any, and the title and phone number of the person to whom payment is to be sent. The City may stipulate how line items are entered on an invoice to ensure compatibility with the City's accounting and financial systems and to facilitate payment to Contractor.

3.8.2 The City makes payments via electronic fund transfers through the Automated Clearing House (ACH) network. To initiate payment of invoices, Contractor shall execute the City's standard ACH Vendor Payment Authorization Agreement. Upon verification of the data provided, the ACH Vendor Payment Authorization Agreement will authorize the City to deposit payment directly into specified Contractor accounts with specified financial institutions. All payments shall be made in United States currency.

3.9 Payment of Taxes/Contractor Shall Withhold. Contractor shall, at its own expense, timely (a) pay all salaries, wages, and other compensation to its employees; (b) withhold, collect, and pay all applicable federal, state, and local income taxes (domestic or foreign),

FICA, Medicare, unemployment insurance and any other taxes or charges in connection with its employees; and (c) provide and pay for workers compensation insurance and any statutory or fringe benefits to employees. Contractor shall be solely responsible for all such obligations for its employees. Contractor shall also ensure that any Subcontractor shall comply with the foregoing obligations for its employees. The City shall have no duty to pay or withhold such obligations.

3.10 Records and Audits

3.10.1 Records Retention. Contractor shall maintain current financial records in accordance with Generally Accepted Accounting Principles (GAAP). Contractor agrees to maintain and retain all financial records, supporting documents, statistical records and all other records pertinent to this Contract during the term of this Contract and for a minimum of six (6) years after the expiration or termination date of this Contract or until the resolution of all audit questions or claims, whichever is longer.

3.10.2 City Audits. The City, either directly or through a designated representative, may conduct financial and performance audits of the billings and Products or Services at any time in the course of the Contract and during the records retention period listed above. Audits shall be conducted in accordance with generally accepted auditing standards as promulgated in Government Auditing Standards by the Comptroller General of the United States Government Accountability Office.

3.10.3 Access to Records. The City may examine, audit and copy Contractor's books, documents, papers, and records relating to this Contract at any time during the records retention period listed above upon reasonable notice. Copies of applicable records shall be made available upon request.

3.11 Overpayment. If an audit discloses that payments to Contractor were in excess of the amount to which Contractor was entitled, then Contractor shall repay the amount of the excess to the City. Under no circumstances will the payment of previous invoices constitute an acceptance of the charges associated with those invoices.

3.12 Independent Contractor. Contractor is independent of the City and, accordingly, this Contract is not entered into as a joint venture, partnership, or agency between the Parties. No employment or agency relationship is or is intended to be created between the City and any individual representing Contractor. Employees of Contractor and any authorized Subcontractors shall perform their work under this Contract under Contractor's sole control.

3.12.1 The Parties have identified Key Positions and Key Personnel as set forth in the table below, along with the percentage of their time to be allocated to the City's Project:

3.12.2.1 For any proposed substitute or replacement Key Personnel, Contractor shall provide the following information to the City: a detailed explanation of the circumstances necessitating the proposed substitution or replacement, a complete resume for the proposed substitute(s), and any additional information requested by the City. Proposed substitutes or replacements should have qualifications comparable to or better than those of the persons being replaced. No change in Contract prices may occur as a result of substitution or replacement of Key Personnel.

3.13 Renewal. The City and Central Eastside Together may renew this Contract for up to an additional five (5) year term, commencing on the expiration of the original term. In order to exercise this option, Central Eastside Together may not at any time during the term of this Contract have been or be in material default of this Contract. If Central Eastside Together at any time during the term of this Contract materially defaulted in its performance of any or the terms and conditions of this Contract, and if Central Eastside Together did not cure the default within 30 days' written notice from the City, then this option is void. Should Central Eastside Together elect to renew the term of this Contract for an additional five (5) year term, it must give the City written notice of such election at least six (6) months prior to the expiration of the original term. Within thirty (30) days receipt of Central Eastside Together's written notice of election to renew, the City will contact Central Eastside Together and arrange for a suitable time and place to negotiate changes in the terms and conditions of the Contract for the renewal term. Any negotiated changes in the terms and conditions of the Contract must be in writing, and subject to approval by the City Council by ordinance and by the Central Eastside Together Board of Directors. If neither party requests any changes in the terms and conditions of the Contract, and if both otherwise wish to have the Contract extended, then it will be extended on the same terms and conditions as found in the original Contract.

Prior to such termination, however, the Party seeking the termination shall give to the other Party written notice to cure the Material Breach and of the Party's intent to terminate. If the Party has not entirely cured the Material Breach within thirty (30) Calendar Days of the notice, then the Party giving the notice shall have the option to: (a) terminate this Contract by giving a written notice of termination, (b) seek any remedies in this Contract, in law, or at equity, to the extent not otherwise limited by the terms of this Contract, or (c) any combination thereof.

- 3.20 Waiver. No waiver of any breach of this Contract shall be held to be a waiver of any other or subsequent breach of this Contract. The failure of either Party to insist upon any of its rights under this Contract upon one or more occasions, or to exercise any of its rights, shall not be deemed a waiver of such rights on any subsequent occasions.
- 3.21 Severability. Any section of this Contract which is held or declared void, invalid, illegal or otherwise not fully enforceable shall not affect any other provision of this Contract and the remainder of this Contract shall continue to be binding and of full force and effect. - 3.22 Business Tax Registration. The Central Eastside Together (“Central Eastside Together”) Board of Directors shall oversee the Central Eastside Services Program, which performs services requested and funded by property owners and managers within the Central Eastside Industrial District Enhanced Service District (“District”), and agreed to with the City of Portland (“City”). The Executive Director of Central Eastside Together will supervise the Central Eastside Services Program. This Annual Statement of Work applies to services during the July 1, 2022 – June 30, 2023, District license year.

Central Eastside Together identifies the following areas as being of significant concern for the ratepayers, businesses, residents, and visitors of the District in 2022-23:

Exhibit D
Enhanced Service District Annual City Basic Services
July 1, 2022 – June 30, 2023
for the Contract
for Enhanced Service District Management Services
Between City of Portland and Central Eastside Together

This exhibit outlines notable City basic services within the District. This information is provided only to aid in establishing a mutual understanding of City basic services and to ensure the establishment of enhanced services does not specifically affect the level of basic service within the District. Its inclusion does not negate the City's ability to adjust basic services as needed based upon fiscal year budget availability, resource availability, response to emergency situations, changes to City policy or Code, changes to Oregon law, or other such events. Its inclusion does not imply support by Central Eastside Together for the current level of basic service nor negate their ability to advocate for increased basic services within the District.

Except as otherwise provided in this Contract, and within the limitation imposed by the City Charter and Oregon Law, and subject to annual City fiscal year budget availability, during the July 1, 2022 – June 30, 2023 District license year, the City will strive to maintain public services with the District at the following activity levels:

I. Basic Services

- A. Public Trash Cans. The level of collection and maintenance provided by the Bureau of Planning & Sustainability (BPS) as of July 1, 2022. This includes:
 - 1. 41 City trash cans across the Central Eastside Industrial District, including 34 south of East Burnside Street and an additional 7 north of East Burnside Street which will be installed by September 1, 2022. The number may fluctuate some due to damage to trash cans and the time it takes to secure replacements.
 - 2. Trash can collection 2 times per week.
 - 3. Resolving issues of overflowing trash cans reported to them, including cleaning up trash caused by the overflow issue. However, BPS will not clean up loose trash that accumulates around a trash can unrelated to an overflow issue. Response times are dependent upon resource availability.
 - 4. Maintenance and graffiti removal as needed. Maintenance goal is to make repairs at most one week after issues are reported, though this may fluctuate due to resource availability.

- B. Graffiti Abatement. Housed in the Office of Community & Civic Life, can be contacted by property owners and/or Central Eastside Together staff for graffiti removal on the following private property locations:

1. Locations 8 feet above street level.
 2. Murals on private property.
 3. Sensitive or porous surfaces requiring pressure washing.
 4. The City of Portland's Graffiti Program does not guarantee graffiti removal assistance for all circumstances and locations.
 5. The City prioritizes the removal of graffiti related to hate/bias crimes.
 6. When doing proactive cleaning within the district, the Graffiti Abatement program first targets major thoroughfares. Proactive cleaning is dependent upon resource availability.
- C. Streets and Right-of-Way. The level of maintenance provided by the Portland Bureau of Transportation (PBOT) as of July 1, 2022. This includes:
1. Maintenance of PBOT assets including street resurfacing, signage, signals/ signal cabinets, striping, paving, crosswalks, bike lanes, light poles, parking, and meters.
 2. Main arterial street sweeping 6 to 8 times annually. Main arterial streets within the District identified in Figure C-1 at the end of this exhibit.
 3. A goal of parking enforcement patrolling daily, but if staffing is low that may not occur.
 4. A goal of removing junk automobiles and recreational vehicles within 10 days if they are not being used as shelter. This goal is based on available resources.
 - a. Prioritization will be based on the condition of the vehicle or RV. Those with severe damage, missing parts, on jacks, etc. will be given priority. Vehicles with flat tires, missing license plates, and expired registration will be addressed, but only when time and resources allow.
 - b. By current PBOT policy, vehicles being used as shelter are not removed unless they represent an immediate physical hazard to people or property, or are blocking access to private/public property, blocking a construction project, blocking a permitted community event, or part of a large camp clean up.
- D. Parks. The level of maintenance provided by the Portland Parks and Recreation (PP&R) as of July 1, 2022. This includes:

1. Regarding City PP&R property within the Central Eastside Industrial District: daily maintenance encompassing ground litter pick up, trash receptacle changed once per day, irrigation repairs and tune ups as needed, removal of graffiti, and landscape maintenance.
 2. Regarding graffiti on PP&R property, PP&R prioritizes the removal of graffiti related to hate/bias crimes.
- E. Portland Streetcar. The level of maintenance provided by the Portland Streetcar as of July 1, 2022. This includes:
1. Trash can collection and general cleaning of litter, benches, and ticket machines twice per week.
 2. Maintenance and graffiti removal as needed.
 3. Priority response to noted or reported issues of vandalism, bio-hazards, needles, and hate speech graffiti.
- F. Public Safety. The level of service provided by the Portland Police Bureau as of July 1, 2022 which is assigned and adjusted by the Central Precinct command staff for each shift and patrol district based on such factors as the number of calls for service within each police patrol district, the priority calls for service, time of day, day of week, geographical factors, and other factors.
- G. Impact Reduction Program. Housed in the Office of Management of Finance, can be contacted by property owners and/or Central Eastside Together staff to report houseless campsites of concern. Response includes:
1. Assessment of health and safety issues of a campsite with a goal of 8 or fewer days of it being reported.
 2. Dispatching of a work team to help clean trash and debris at a campsite with a goal of 8 or fewer days of it being reported.
 3. If identified as a high risk site with regards to health and safety, the campsite will be scheduled for removal with a goal removal taking place within 6 weeks of it being reported (depending on measurable risk and impact). Removal will take place using empathy with the goal of minimizing the negative impact on camp residents. Expectation is that this timeline will decrease as policies return to pre-COVID protocols.

4. Collaborating with Central Eastside Together's safety, outreach, and cleaning programs to ensure a joint approach to reducing the impact of camping within the District.
5. All response goals are variable and dependent upon resources available and updates to City policy.

II. Reporting and Disputes of Service

- A. The City will provide to Central Eastside Together periodic reports documenting the services provided under and in accordance with this Exhibit C on a schedule to be agreed upon between Central Eastside Together and the City.
- B. Central Eastside Together and the City of Portland may submit a concern or complaint about each party's service commitments detailed in their respective scopes of work.
 1. Concerns or complaints must be sent, in writing, to the City of Portland Enhanced Service District Coordinator.
 2. Upon receipt, the City of Portland Enhanced Service District Coordinator will have fifteen (15) business days to review and formally respond.
 3. In the event of a written complaint, both parties agree to work with the City of Portland Enhanced Service District Coordinator to reach a joint resolution based on the statement of work.
- C. The City may change the levels of services required by this exhibit in the event of unusual fiscal or other emergency conditions. The City Council has the sole discretion to make the determination whether such conditions exist. In the event the City wishes or intends to make such a change, then the City will refer the proposed changes as expeditiously as is reasonable to Central Eastside Together for its review and comment. If the City makes such a change, Central Eastside Together has the right to change or adjust services it provides under this Contract as appropriate to respond to the City changes, so that a coherent and rational set of services is provided within the District. Such changes will be accomplished through an amended Central Eastside Annual Statement of Work (Exhibit B to the Contract), to be submitted to the City for review, comment, and approval.

III. District Priority Areas

- A. The City of Portland recognizes that the following are areas of significant concern for the ratepayers, businesses, residents, and visitors of the District as prioritized by Central Eastside Together:

1. Maintenance of PBOT assets and the prompt removal of abandoned autos and large trash impeding the right of way;
 2. Ensuring the safety of Central Eastside Together's unarmed safety teams;
 3. Streamlining the collection of Central Eastside Together and City statistics and data;
 4. Improving metrics for establishing the level of basic City services;
 5. Ensuring better coordination with Union Pacific for removal of trash and graffiti along the railways; and
 6. Enforcement of illegal dumping in the right of way.
- B. The ESD Coordinator will work with Central Eastside Together to address these priority issues and facilitate conversations with relevant City Bureaus.

3. Receiving Payments. The Revenue Division will receive all license payments (excluding voluntary payments made directly to Central Eastside Together) and enter them to the License Fee fund maintained by the City. If Central Eastside Together receives a voluntary payment for license fees, it must notify the Revenue Division within fourteen (14) days of receipt for the Revenue Division to correctly calculate the license collection fees owed for any given license year. Voluntary payments are included in the Revenue Division's calculation for cost of service.
4. Appeals. The Revenue Division has sole authority to decide appeals, consistent with the provisions of City Code Chapter 6.06. It may consult with Central Eastside Together regarding appeals.
5. Collections and Collection Litigation Costs
 - 5.1. Collections. Central Eastside Together will monitor payments and encourage Central Eastside Industrial District property managers to make license fee payments in a timely manner. However, the Revenue Division is responsible for actual collections and has sole authority to waive penalties and/or other finance charges.
 - 5.2. Collection Litigation Costs. City costs related to District License Fee collection litigation will be billed separately to Central Eastside Together and will be payable and deducted from the next disbursement of funds to Central Eastside

Together, provided that the amount so billed, payable, and deducted in relation to any particular collection case may not exceed the amount collected as a result of that case. The City, at the written request of Central Eastside Together, will provide written documentation of any amount so billed, payable, and deducted. The term "City costs" as used in this subsection means:

- 5.2.1. City costs and disbursements as defined in ORCP 68(A)(2);
 - 5.2.2. City attorney fees as defined in ORCP 68(A)(1) with the cost of City Attorney's Office staff based on actual hourly costs of Office staff; and
 - 5.2.3. the cost of Revenue Division staff time based on actual hourly costs of Revenue Division staff, all without the addition of an overhead charge.
6. Service Problems. Whenever the Revenue Division receives comments that are about Central Eastside Together Services, the Revenue Division will notify of those comments as soon as is reasonably possible. The Revenue Division may notify by telephone, electronic mail, or otherwise. Central Eastside Together must reasonably attempt to resolve all service-related problems and inform the Revenue Division of its efforts at resolution.
7. Revenue Divisions Administration Costs:
- 7.1. The City will provide collection services to Central Eastside Together for a fee of 2% of the total District License Fee billings for License years beginning on or after July 1, 2022. The base for the administration fee shall be calculated as of the beginning of the license year (July 1) and include any voluntary payments made in lieu of the license fee under Chapter 6.06. Both parties agree that Central Eastside Together is not entitled to any civil penalties collected under Chapter 6.06, that such penalties shall be used to partially offset the Revenue Division's costs of administration, and the City will not include them in any disbursements to Central Eastside Together. The City will deduct its fees from the License Fees collected. The deduction will coincide with each of the two annual disbursement cycles.
 - 7.2. In addition to the 2% fee in subsection 7.1 above, an allocation of direct overhead charges will be deducted to arrive at the net License Fee revenues payable to Central Eastside Together. Direct overhead charges includes, but may not be limited to, General Fund Overhead (GFOH) charge and Integrated Tax System (ITS) Cost Allocation.
8. Revenue Division's Other Costs. Other costs for work provided by the Revenue Division to Central Eastside Together not directly related to collection services outlined in subsections 5 (Collection Litigation Costs) and 7 (Revenue Division's Administration Costs), must be agreed upon in advance by the Revenue Division and Central Eastside Together. Those costs will be billed to Central Eastside Together separately,

and they will be payable and deducted from the next Revenue Division disbursement of funds to Central Eastside Together. Revenue Division's Administrative Costs are different from Collection Litigation Costs.
